The Cooperstown Casebook Jay Jaffe, 2017-07-25 A revolutionary method for electing players to the Baseball Hall of Fame from Sports Illustrated writer Jay Jaffe using his popular and proprietary JAWS ranking system The

National Baseball Hall of Fame and Museum tucked away in upstate New York in a small town called Cooperstown is far from any major media market or big league stadium Yet no sports hall of fame s membership is so hallowed nor its qualifications so debated nor its voting process so dissected Since its founding in 1936 the Hall of Fame s standards for election have been nebulous and its selection processes arcane resulting in confusion among voters not to mention mistakes in who has been recognized and who has been bypassed Numerous so called greats have been inducted despite having not been so great while popular but controversial players such as all time home run leader Barry Bonds and all time hits leader Pete Rose are on the outside looking in Now in *The Cooperstown Casebook* Jay Jaffe shows us how to use his revolutionary ranking system to ensure the right players are recognized The foundation of Jaffe s approach is his JAWS system an acronym for the Jaffe WAR Score which he developed over a decade ago Through JAWS each candidate can be objectively compared on the basis of career and peak value to the players at his position who are already in the Hall of Fame Because of its utility JAWS has gained an increasing amount of exposure in recent years Through his analysis Jaffe shows why the Hall of Fame still matters and how it can remain relevant in the 21st century *The New York Mets* Donald Honig,1987 Hockey! Hockey! Ashley Logan Brennan,2012-09 This is youth hockey where dreams of future glory are born Hockey Hockey introduces young readers to this wonderful game on ice The book s lyrical words and colorful vibrant real life illustrations capture the environment of the rink complete with local logos while also highlighting a young player s dedication and excitement playing the game The author Ashley Brennan with her heartfelt rhyming verse and the illustrator Elaine Felos Ostrander with her bold portraits of skaters in action both portray the youth hockey scene from firsthand knowledge because each of them is a parent or grandparent of current youth hockey players They ve witnessed the infectious spread of hockey fever **Baseball**,1986 This is the most comprehensive bibliography of baseball literature available updating and expanding Anton Grobani s *Guide to the Literature of Baseball* 1975 The 21 000 citations are arranged by subject classifications There are sections on the World Series baseball cards business aspects the minor leagues each of the teams and a biographical section covering those connected with the game Annotations are provided for many entries There is an author index title index and information on obtaining difficult to locate material including addresses Based on research at the National Baseball Library in Cooperstown N Y this work by a professional bibliographer will be the cornerstone of baseball research for the next decade
