Sugar Shack:

Sugar Shack Lucy Knisley, 2025-08-05 For one city kid turned country girl whose life has been changing nonstop it seems like its finally time to find her place in her new blended family while settling in for the winter Cozy up to the final volume of the heartfelt and acclaimed Peapod Farm series Jen couldn't be more excited to spend time on Peapod Farms with her step sisters Andy and Reese For months Jen has been so focused on trying to figure out how she fits into her new blended family that she hasn't realized she's found her place that is until Reese calls her sister Excited and content Jen thought she had figured everything out but now she's not so sure A rift emerges between the girls as Andy doubles down on being Reese's ACTUAL sister while Jen is just the STEP sister With Andy's attitude bringing a cold front to the farm it seems like it's going to be a long winter Maybe between Peapod Farm's first snow and learning how to tap a tree for sugar Jen and Andy both will have a chance to truly understand what it means to be family

Is This the Real Life? Mark Blake, 2025-05-01 Queen's success in the 1970s was accompanied by a taste for musical and non-musical excess Is This the Real Life draws on eyewitness testimonies former producers and managers ex-girlfriends and boyfriends to create a complete picture of one of the world's most ambitiously driven rock bands at work and at play Revealing Queen's complex dynamic Blake also explores how Freddie Mercury's sexuality alienated some of the band's fan base how they reinvented themselves by morphing from hard rock to pop and how they saw out their final years as Mercury became one of the most successful rock stars in the world Is This the Real Life looks beyond Queen's public persona to shed light on the legendary band's four wildly divergent personalities particularly lead singer Freddie Mercury's

Maple Syrup Peter Kuitenbrouwer, 2025-10-21 The captivating story behind Canada's beloved sweet treat From the quiet beauty of sugar maple forests to the high-tech high-stakes world of syrup production this

book takes you on a remarkable journey into one of Canada's most cherished traditions. Led by Peter Kuitenbrouwer, a forester with a deep appreciation for the land, this beautifully illustrated narrative uncovers the rich Indigenous heritage of maple syrup, explores its cultural significance, and reveals the complex industry that sustains it today, where vast warehouses store a product so valuable it became the target of the Great Maple Syrup Heist, one of Canada's most infamous thefts. Blending history, culture, and science in a story that stretches from eastern Canada and into the northeastern US, Maple Syrup stands as a testament to the resilience, communal joy, and economic intricacies that define maple syrup and is the perfect read for anyone who loves Canada, its heritage, and the irresistible taste of spring. **Proceed to Check Out** Alan

Shapiro, 2022-03-25 Award-winning poet Alan Shapiro offers a new collection of poems reflecting on mortality and finitude. Alan Shapiro's fourteenth collection of poetry, *Proceed to Check Out*, is a kind of summing up or stock taking by an aging poet of his precarious place in a world dominated by the ever-accelerating pace of technological innovation, political disruption, personal loss, and racial strife. These poems take on fundamental subjects like the nature of time and consciousness and how or why we become who we are, but Shapiro presses them into becoming urgent and timely. Employing idiomatic range and formal variety, Shapiro's poems move through recurring dreams, the coercions of childhood, and the mysterious connections of mind and matter, pleasure and memory. They meet an abiding need to find empathy and understanding in even the most challenging places, amid disaffection, public discord, and estrangement. His grasp of contemporary life in all its insidious violence and beauty is distinct, comprehensive, and profound. **Beyond Accommodation** Jennifer Selby, Amelie Barras, Lori G. Beaman, 2018-09-01 Problems of integration, failed political participation, and requests for various kinds of accommodation seem to dominate the research on minority Muslims in Western nations. *Beyond Accommodation* offers a different perspective, showing how Muslim Canadians successfully navigate and negotiate their religiosity in the more mundane moments of their lives. Drawing on interviews with Muslims in Montreal and St. John's, Selby, Barras, and Beaman examine moments in which religiosity is worked out. They critique the model of reasonable accommodation, which has been lauded internationally for acknowledging and accommodating religious and cultural differences. The authors suggest that it disempowers religious minorities by implicitly privileging Christianity and by placing the onus on minorities to make requests for accommodation. The interviewees show that informal negotiation occurs all the time; scholars, however, have not been paying attention. This book advances a new model for studying the navigation and negotiation of religion in the public sphere and presents an alternative picture of how religious difference is woven into the fabric of Canadian society. **Grandpa Alan's Sugar Shack**

Alan Page, Kamie Page, 2022-05-03 Tap tap tap. Drip drip drip. What's that sound? Grandpa. It's the sap running from the maples strong. Here is the gentle story of a granddaughter discovering one of the great joys of her grandfather's youth: spring in the north woods when the maple trees are bursting with sap. Together, grandfather and granddaughter make their way out into the chilly pre-dawn woods to find and tap maple trees, hang buckets, and collect sap. And then, patiently or not, they wait for

the sap to boil into syrup back at the sugar shack They wait until at last The first sweet taste of amber sticky goodness is ready East of East Romeo Guzmán, Caribbean Fragoza, Alex Sayf Cummings, Ryan Reft, 2020-02-14 East of East The Making of Greater El Monte is an edited collection of thirty one essays that trace the experience of a California community over three centuries from eighteenth century Spanish colonization to twenty first century globalization Employing traditional historical scholarship oral history creative nonfiction and original art the book provides a radical new history of El Monte and South El Monte showing how interdisciplinary and community engaged scholarship can break new ground in public history East of East tells stories that have been excluded from dominant historical narratives stories that long survived only in the popular memory of residents as well as narratives that have been almost completely buried and all but forgotten Its cast of characters includes white vigilantes Mexican anarchists Japanese farmers labor organizers civil rights pioneers and punk rockers as well as the ordinary and unnamed youth who generated a vibrant local culture at dances and dive bars
