Suicidas Del Fin Del Mundo Los:

Crónicas de América Latina Miguel Á. Novella, Esteban Mayorga, 2019-10-11 *Crónicas de América Latina* narrativa de no ficción es la primera edición de una novedosa antología de crónicas diseñada para la enseñanza de español avanzado. Los textos fascinantes y accesibles permiten que los estudiantes se adentren en la compleja realidad contemporánea tanto política como social y cultural de América Latina mientras refuerzan la lectura, la redacción y la conversación. Los ejercicios, todos ellos diseñados a partir de los propios textos, pretenden repasar problemas gramaticales y léxicos tradicionales con especial énfasis en aquellos que atañen a las variedades dialectales del español americano, por ejemplo el uso del pronombre vos. Este libro es un excelente material de lectura que puede usarse en clases de español como segunda lengua o en clases de español para hablantes de herencia tanto en clases de lengua gramatical o conversación como de contenido cultural. Dividido en nueve capítulos, el material abarca temas cruciales tales como política, identidad, raza, género, inmigración, violencia, exilio, medio ambiente, gastronomía, fútbol y música. Cada texto puede leerse de forma independiente, lo que permite que los profesores seleccionen las lecturas según las particularidades de cada curso. Pensado en un principio para estudiantes de español, esta antología es, sobre todo, una lectura indispensable para cualquier persona interesada en la zona que concentra el mayor número de hispanohablantes en el mundo.

Literary Journalism and Social Justice Robert Alexander, Willa McDonald, 2022-08-04 This book examines the prominent place a commitment to social justice and equity has occupied in the global history of literary journalism. With international case studies, it explores and theorizes the way literary journalists have addressed inequality and its consequences in their practice. In the process, this volume focuses on the critical attitude the writers of this genre bring to their stories, the immersive reporting they use to gain detailed and intimate knowledge of their subjects, and the array of innovative rhetorical strategies through which they represent those encounters. The contributors explain how these strategies encourage readers to respond to injustices of class, race, indigeneity, gender, mobility, and access to knowledge. Together, they make the case that throughout its history, literary journalism has proven uniquely well adapted to fusing facts with feeling in a way which makes it a compelling force for social change.

The Routledge Companion to World Literary Journalism John S. Bak, Bill Reynolds, 2022-12-30 This cutting-edge research companion addresses our current understanding of literary journalism's global scope and evolution, offering an immersive study of how different nations have experimented with and perfected the narrative journalistic form/genre over time. *The Routledge Companion to World Literary Journalism* demonstrates the genre's rich genealogy and global impact through a comprehensive study of its many traditions, including the crónica, the очерк, reportage, the New Journalism, the New New Journalism, Jornalismo literário, periodismo narrativo, baogao wenxue, creative nonfiction, Literarischer Journalismus, As SaHafa al Adabiyya, and literary nonfiction. Contributions from a diverse range of established and emerging scholars explore key issues such as the current role of literary journalism in countries radically affected by the print media crisis and the potential future of literary journalism both as a centerpiece to

print media writ large and as an academic discipline universally recognized around the world The book also discusses literary journalism s responses to war immigration and censorship its many female and Indigenous authors and its digital footprints on the internet This extensive and authoritative collection is a vital resource for academics and researchers in literary journalism studies as well as in journalism studies and literature in general Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
