Wikipedia , **Don Bradman** Brett Hutchins,2002-09-23 This fascinating book takes a different look at Australia s all time sporting hero Sir Donald Bradman Caught Yapping Abhishek Mukherjee,2025-06-30 I do not want to see you Mr Warner There are two teams out there one is trying to play cricket and the other is not There is a little bit of the whore in all of us gentlemen What is your price Thank you for making my tournament a success Girls don t play cricket Bodyline World Series Cricket and IPL all seminal events in the game s history and succinctly captured in the quotes above by Bill Woodfull Kerry Packer and Lalit Modi respectively And a casual comment made by a policeman to Rachael Heyhoe which spurred her on to become a cricketer and eventually organize the World Cup two years before the men s Caught Yapping takes a never trodden before route to narrate the history of cricket using the medium of quotes to do the talking Why quotes Cricket has inspired considerable literature and continues to do so Then there are words the people of cricket have spoken on the field in press conferences in commentary boxes and elsewhere These are tales that scorecards do not tell stories of heroes and villains rises and falls temptations and resistance inclusions and exclusions This book chronicles the history of cricket and history means little without the people And what better way to tell the story of the people than in their own words

**Playing on the Periphery** Tara Brabazon,2006-04-18 This is a very distinctive text that will stand out from the standard more staid works in sport studies This is a sophisticated text that will appeal to the maturing readership in the area looking for new perspectives on sport Tara Brabazon is very well known in Australia both in academia and as a journalist Other texts in this area are all edited collections *Mystery Spinner* Gideon Haigh,2002-04-25 It is no mystery that today the name of Jack Iverson is virtually unknown For most of his life he was an unexceptional estate agent in Australia He died in obscurity by his own hand at the age of only 58 He was a clumsy fielder and a hopeless batsman But for four years he was the best spin bowler in the world The story of Jack Iverson is one of the most remarkable in the history of cricket Every now and then wrote one journalist there comes a man who can do the right thing the wrong way round Iverson took up cricket at the advanced age of 31 as capriciously as he left it joining a club 3rd XI in Melbourne one day and instantly announcing himself as the most prodigious and improbable spinner of a cricket ball Using a unique technique he appears to have perfects with a ping pong ball during wartime service in Papua New Guinea he doubled back his middle finger and found he could bowl leg breaks top spinners and googlies every one dropped on a perfect length and impossible to pick Within four years he was bowling the Australian Test side to victory over England in the Ashes series of 1950 51 Then in his moment of triumph he retired from international cricket and was never the same bowler again Mystery Spinner is more than that beautifully written life of an elusive and forgotten hero who after his brief burst of celebrity has left strangely little trace in posterity It is also

the utterly compelling story of Gideon Haigh's quest to solve the enduring riddle of Jack Iverson's life a quest which led him across Australia following tenuous clues in school registers and county records And above all it is a moving study for an age that presumes sporting prowess to be the ultimate definition of personal identity of how skill is only half the battle in sport and how it takes an extraordinary individual to cope successfully with extraordinary achievement
