

but murder is worse than folly, and requires a measure of penitence before forgiveness is due. The two, separated as of no value, and where the one is not, I will not wait for the other. Did Cadwaladr send you on this errand?"

"No, my lord, and knows nothing of my coming. I am who suffers deprivation, and I who appeal for his rights are restored. If he has done ill in the past, is that good man's shutting him out from the possibility of doing well a retribution? And what has been done to him is extreme, for he has been made an exile in his own country, without a stake in his own soil. Is that fair dealing?"

"It is less extreme," said Owain coldly, "than what was done to Anarawd. Lands can be restored, if restoration is there. Life once lost is past restoration."

"True, my lord, but even homicide may be compensated a blood-price. To be stripped of all, and for life, is a worse kind of death."

"We are not concerned with mere homicide, but with murder," said Owain, "as well you know."

At Cadfael's left hand Cuhelyn sat stiff and motionless in his place, his eyes fixed upon Bledri, their glances beginning to pierce through him and beyond. His face was white, with a single hand clenched tightly upon the edge of the board, his knuckles sharp and pale as ice. He said no word and made no sound, but his bleak stare never wavered.

"Too harsh a name," said Bledri fiercely. "For a deed done in heat. Nor did your lordship wait to hear my prince's side of the quarrel."

"For a deed done in heat," said Owain with immense composure, "this was well planned. Eight men do not wait in cover for four travellers unsuspecting and unarmed, and hot blood. You do your lord's cause no favour by delaying

his case. You said you came to plead. My mind is not closed against reconciliation, civilly sought. It is proof against threats."

"Yet, Owain," cried Bledri, flaring like a resinous torch, "it behooves even you to weigh what consequences may follow if you are obdurate. A wise man would know when to unbend, before his own brand burns back into his face."

Cuhelyn started out of his stiffness, quivering, and was half rising to his feet when he regained control, and sank back in his place, again mute and motionless. Hywel had not moved, nor had his face changed. He had his father's formidable composure. And Owain's unshaken and unshakable calm subdued in a moment the uneasy stir and murmur that had poured round the high table and started louder echoes down in the floor of the hall.

"Am I to take that as threat, or promise, or a forecast of a doom from heaven?" asked Owain, in the most amiable of voices, but none the less with a razor edge to the tone that gave it pleading sweetness, and caused Bledri to draw back his head a little as if from a possible blow, and for a moment veil the smouldering fire of his black eyes, and abate the savage lightness of his lips. Somewhat more cautiously he responded at last:

"I mean only that enmity and hatred between brothers is scarcely among men, and cannot but be displeasing to God. I cannot bear any but disastrous fruit. I beg you, restore your brother his rights."

"That," said Owain thoughtfully, and eyeing the petitioner with a stare that measured and probed beyond the words offered, "I am not yet ready to concede. But perhaps we should consider of this matter at more leisure. Tomorrow morning I and my people set out for Aber and Bangor,
