Summit Chase:

Summit Chase Warren Murphy, Richard Sapir, 2023-09-01 The small African nation of Scambia is in danger and it doesn't even know it. International syndicates want to create a lawless safe haven for well-heeled criminals and Scambia fits the bill perfectly. But they have a problem: the president of Scambia is a dedicated servant of his country. But the vice president isn't. All that's needed is financial backing, good timing, and a little honour among thieves, and this fragile democratic nation will fall. What the criminals won't count on is Remo Williams. Remo is The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time. **NEWDAWN CENTRAL** Dominique Luchart, 2021-02-01 Origin. An unwavering pledge. Unearths a buried truth. And alters the path to our future. The second volume of the NEWDAWN Saga by author and futurist Dr Dominique Luchart delivers an epic story unequivocally bridging a gap between our world today and tomorrow in an enduring twist. My name is Tesh. Out of twenty of us, only four are now awake. The others are still buried somewhere inside the mountain. Without them, we do not stand a chance. Determine to find them, we encroach again deep into the caves. But the warning we received from the entity was clear: Time is running out to find all of them spread across five different Chambers. When it unleashes its power, it will destroy everything. Our only choice is to risk it all. Despite the odds and unbeknown to the Center, we infiltrate the space below the facility and find something else. A structure with an energy signature we have never encountered before. Can we decipher what it is in time? Can this be the cause for Streak's disappearance? When we face it, this new discovery ultimately defines our future. Newdawn Central spans multiple lifetimes and crosses into other realms. Fans of *Divergent*, *Hunger Games*, *Qualify*, and *Red Queen* will enjoy Luchart's intricate world-building and sense of adventure from 2018 to 2098 and beyond. Amidst twists and turns, great characters, time and space are moving with speed and grace. Wonderful internal, thoughtful dialogue. Dominique pens a fantastical world of too real today and a glimpse of a too real future. The Newdawn series also explores evolving technologies like genetic engineering, biotechnology, and robotics to showcase how science impacts the human experience. *Hidden on the Mountain* Sharon Dunn, Terri Reed, 2021-04-13 A race for survival. Protecting Merci from the desperate men chasing her in the middle of a blizzard is the biggest challenge Nathan's ever faced. But failure is not an option. Merci's bravery and kindness touch his guarded heart. Together, they could have a future if they can solve the mystery in time. *Secret Mountain Hideout* by Terri Reed.
