Summon The Keeper:

Summon the Keeper Tanya Huff, 1998-05 Being one of Earth's protectors is never easy but when Claire the Keeper and Austin the cat find themselves in charge of the Elysian Fields Guesthouse Bed and Breakfast all Hell breaks loose in the form of a gateway residing in the basement

Summon the Keeper Tanya Huff, 2025-10-13 Where saving the world is just another day's work Claire Hansen goes where the trouble is That's the job of a Keeper cleaning up metaphysical disasters closing holes in the fabric of the universe Constant travel is hard even with a talking cat alongside But it beats the assignments older Keepers get She'd hate to be stuck in one place for decades minding a breach too big to mend Then Claire finds herself in Kingston Ontario at a bed and breakfast with a literal gate to Hell in the basement its assigned guardian nowhere to be found It's fully stocked with weird an evil Sleeping Beauty a French Canadian sailor's ghost technicolor imps the cat denies seeing The only employee is a Clark Kent handsome Newfie with zero magic and less instinct for self preservation And guests keep arriving with very particular demands Disentangling history mystery and magic while keeping the B B's doors open and the gates of Hell firmly shut has proven impossible before now But since the alternative is being trapped forever Claire will give it a try

The Second Summoning Tanya Huff, 2005-06-07 Discover the second book in the Keeper's Chronicles where a young woman masters of the possibilities of time and space maintaining the balance between worlds to protect Earth Claire Hansen was a Keeper gifted or cursed with the job of being one of Earth's Guardians Summoned to areas where anomalies existed where rifts had opened or had been opened Such places were the world's danger spots where if they weren't sealed in time all the minions of Hell might break through After she'd closed the portal into Hell at the Elysian Fields Guest House Claire and her talking cat Austin found they'd acquired a new companion Dean Though Dean was a Bystander and shouldn't have been allowed to even remember Keepers existed somehow in the course of their mutual ordeal at the Elysian Fields he'd become an indispensable part of Claire's life She knew she should change his memories and force him to leave her Any other course was bound to lead to disaster But as it turned out it was already too late for without Dean around Claire could easily become a danger to herself and the very fabric of space and time Yet with Dean around and a little of her sister Diana's meddling thrown in the world was headed straight for Chaos And Claire was about to face a challenge beyond her wildest imagining a catastrophe created by the power of love when an angel and a devil each manifested in the mortal world as fully endowed teenagers who didn't have a clue how to handle their all too human bodies raging hormones and opposing needs to do good and evil

Huff,2005-06-07 Discover the third book in the Keeper s Chronicles where two young women master the possibilities of time and space maintaining the balance between worlds to protect Earth It started on the last day of high school a day Diana Hansen had been anticipating for the last twelve years Now her real life could begin For Diana like her sister Claire was a Keeper gifted with the ability to reweave the possibilities of time and space to maintain the balance between Light and Darkness What neither Diana nor Sam formerly an angel now a cat could have anticipated was that her first Summons as an active Keeper would be to a shopping mall But a quick trip to the Erlking s Emporium a gift shop in a Kingston mall confirmed Diana s worst suspicions Not only was Darknesss trying to stage a takeover from the Otherside but if Diana didn t bring in reinforcements her first Summons might well be her last Claire and Austin who d always been a cat and had little tolerance for cat wannabes like Sam were only too ready to take on their older and wiser roles But neither the Keepers nor their cats were prepared for what they found when they tried to cross from their world to the Otherside mall The Second Summoning

Tanya Huff,2025-10-14 Just when saving the world got fun again Keeper Claire Hansen s job has never been better There are still rips in the fabric of the universe for her to repair disasters to avert memories to adjust But it s far pleasanter with a handsome funny Bystander driving Claire and her talking cat through the sleet and snow in a warm truck reminding her to eat occasionally As long as she can keep him safe Dean is better than loveable he s great company Except Claire knows she can t keep him safe and it s her duty as a Keeper to refuse his great company along with everything else he s offering Which is Keeper speak for reluctantly dumping his admittedly amazing ass et al and continuing on her own But the Powers That Be have other ideas and next thing they know their uh reunion has resulted in an Angel and Demon running around Ontario with a few additions to their traditionally genderless anatomy One agent of cosmic chaos would be bad two is terrifying Add in the way Claire s equally chaotic teenage sister is interfering and this might be the battle of the sexes that ends it all
