SUN GRUMBLE

by Claudia Fregosi

The sun was on strike. He was tired of shining and just wanted to enjoy himself.

"Where is the sun?" moaned the people, the animals and the plants. The world grew colder and darker.

After a day the sun decided to have a look at what was happening below. He went down to earth and when he saw what a mess things were in, he got right back on the job.

Claudia Fregosi has used buoyant color and ingenious geometric illustrations to create a warm, appealing fantasy for picture book readers.
