Yahweh and the Sun J. Glen Taylor, 1993-11-01 This challenging provocative book argues that there was in ancient Israel a considerable degree of overlap between the worship of the sun and of Yahweh even that Yahweh was worshipped as the sun in some contexts As an object created not by humankind but by God himself the sun as an object of veneration lay outside the bounds of the second commandment and was considered by many to be an appropriate icon of Yahweh of Hosts Through its investigation of solar Yahwism this book offers fresh insight into several passages e.g. Genesis 1:32-23:33 Joshua 10:12-14 1 Kings 8:12 Ezekiel 8:16-18 Psalms 19:104 and archaeological data regarding the orientations of Yahwistic temples the Lmlk jar handles horse figurines and the Taanach cult stand The book argues that the struggle between Yahweh and other deities in ancient Israel took place within the context of the development of Yahwism itself **Yahweh and the Sun** J. Craigie, 1983-01-01 This illuminating study enables

the reader to better understand the vocation and message of an extraordinary prophet The message Ezekiel delivered to the people of Babylon centered on the holiness of God Even though he foretold doom and judgement the prophet held out the promise of hope based on the continuing mercy and forgiveness of God Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today

Medieval Orissa Shishir Kumar Panda,1991-01-01 **The Two Babylons** Alexander Hislop,2006-08-24 The author sets out to prove that most of the practices of the Roman Catholic Church have been brought over from Paganism the original teachings of Jesus have been either cast aside or corrupted He claims and sets forth proof that Rome is the Babylon of the Apocalypse Includes many notes over 60 illustrations and index The Worship of Nature James George Frazer,1926

Sunday in Roman Paganism Robert Leo Odom,2003 With most of the Christian world honoring Sunday as their day of worship the question of its origin becomes important Over the past hundred years much has been written about the use of the week among ancient pagan peoples However little has been done to compile such historical material into an easily accessible book for the general public Robert Leo Odom for years has conducted special research on the Sabbath Sunday question In Sunday in Roman Paganism he leads readers through the pages of history showing the rise of the planetary week and its day of the Sun in the heathenism of the Roman world during the early centuries of the Christian era This book is not a capsulated history of Sunday as a church festival but rather the history of the planetary week as it was known and used in the pagan world and to show whether or not its day of the Sun was then regarded by pagans as being sacred to their Sun god
