Sunblood I Lived To Tell The Story:

Sunblood Leigha Anastasia Von Micks, 2004 My book is titled Out of The Darkness Into the Light The reason for this title is because that is exactly what happened to me I came out of the dark into the light and if you read this book you will see that the title fits Everything that I wrote in this book is true and the Lord inspired me to write it and all is for the glory of the Lord I feel that the Lord wanted me to write this book to show that he is strong and let the world know that he is here and alive just waiting with open arms to turn your life around In this book you will see the trials that I went through and there may be someone out there going through some or all of the same things If they see how the Lord turned my life around maybe this book could be an encouragement for them I know that there are a lot of books out there with maybe the same things that I am saying and you may think What makes your book different What makes my book different is that I know for a fact that the Lord inspired me to write this book to give me the patience and the peace because I couldn't have done it on my own **The**
