Sundancers Woman:

Sundancer's Woman Judith E. French, 2013-12-19 Sheer unadulterated pleasure Written from the heart Jennifer Blake A Mother's Sacrifice Ruthlessly kidnapped Elizabeth Fleming has endured nine years as an English slave to a Seneca warrior Only devotion to her two small children fathered in captivity have brought her comfort But now a handsome stranger has come to free her whether she wants it or not For her son and daughter must stay behind Elizabeth can only hope the man is as kind as he is bold and that the desire he awakens in her does not divert her from her course A Woman's Heart More Indian than white Hunt Campbell was sure that rescuing Elizabeth was a fool's errand She'd no longer be the girl her father remembered And he was right Elizabeth was a grown woman more courageous and beautiful than Hunt imagined And more stubborn For after one thrilling intimate night together Elizabeth flees to save her children But now Hunt knows it is his destiny to risk his life for her mission and her love A masterful storyteller Rendezvous 150 000 Words [Skinny White Woman](#) Stasia Minkowsky, 2012 After being pronounced a lightworker by a psychic from Sedona all Stasia Minkowsky wants to do is smoke a joint get drunk and forget about it The only problem It's not working Desperate for answers she is guided to her first Native American sweat lodge where most participants are in recovery for drugs and alcohol Cautious about drinking the Kool Aid Stasia's once guarded exterior begins to unravel with the power of the ceremonies and the path known as the Red Road Under the guidance of a goofy yet reclusive Native American teacher she is buried in a hole for her vision quest and the only white woman dancing in the spiritual piercing ritual called the Sundance But as her rites of passage into the ceremonial path become deeper so does her understanding of the blemishes and betrayals of following a spiritual path The lure of her old lifestyle is never far from her thoughts along with a nagging question about the pain of growing consciousness If this is truly the path to becoming a lightworker why is it so friggin hard A self reflective memoir about what it means to follow a modern day spiritual path this is a raw and unrefined look at the human journey to find the spirit within Copver
