context without looking closely at the development of these precursors to Hebrew School Jewish Sunday Schools provides an in depth portrait of a massively understudied movement that acted as a vital means by which American Jews explored and reconciled their religious and national identities *Child Training* Angelo Patri,1922 *52 Ways to Teach Memory Verses* Nancy Williamson,2000 Every book in this series is packed with easy to lead activities on a variety of important subjects for children who are learning about the Christian life Teachers will want all eight titles for their resource libraries **English Mechanic and Mirror of Science and Art** ,1911 <u>Musical Messenger</u> ,1922
