Sunday Talks At Coombe Springs:

Sunday Talks at Coombe Springs John Godolphin Bennett, 2002 Classical Spirituality in Contemporary America
Michael Pittman, 2012-03-01 An exploration of the relationship between major contemporary spiritual movements such as Sufism and Esoteric Christianity and the work of Gurdjieff Talks on Beelzebub's Tales John Godolphin Bennett, 2012-04-02
Bennett first read Beelzebub's Tales in 1948 He regarded it as a work of superhuman genius containing expressions of reality which by their very nature were bound to make severe demands on any reader With Gurdjieff's approval he undertook a series of lectures in London focusing on the essential meaning of Beelzebub's Tales More than commentaries these talks are an invitation into the deeper meanings of Gurdjieff's enigmatic tales This book was compiled and arranged soon after the last years of Bennett's life by Anthony Blake Now thirty years after that initial compilation Blake gives us a new foreword with contemporary insights into the visionary message of Gurdjieff's tales to his grandson Although Bennett's talks were intended to be a companion to reading and understanding Gurdjieff's masterwork Anthony Blake's foreword allows even those unfamiliar with Gurdjieff's Tales to begin a journey into the depth of its meaning Empire's Son, Empire's Orphan Nile Green, 2024-07-02 A rollicking story of two literary fabulists who revealed the West's obsession with a fabricated exotic East In the highbrow literary circles of the mid twentieth century a father and son spread seductive accounts of a mystical Middle East Claiming to come from Afghanistan Iqbal and Idries Shah parlayed their assumed identities into careers full of drama and celebrity writing dozens of books that influenced the political and cultural elite Pitching themselves as the authentic voice of the Muslim world they penned picaresque travelogues and exotic potboilers alongside weighty tomes on Islam and politics Above all father and son told Western readers what they wanted to hear audacious yarns of eastern adventure and harmless Sufi mystics myths that as the century wore on and the Taliban seized power became increasingly detached from reality Empire's Son Empire's Orphan follows the Shahs from their origins in colonial India to literary London wartime Oxford and counterculture California via the Levant the League of Nations and Latin America Nile Green unravels the conspiracies and pseudonyms fantastical pasts and self aggrandizing anecdotes high stakes and bold schemes that for nearly a century painted the defining portrait of Afghanistan Iqbal and Idries convinced poets spies orientalist diplomats occultists hippies and even a prime minister that they held the key to understanding the Islamic world From George Orwell directing Muslim propaganda to Robert Graves translating a fake manuscript of Omar Khayyam and Doris Lessing supporting jihad Green tells the fascinating tale of how the book world was beguiled by the dream of an Afghan Shangri La that never existed Gambling with the currency of cultural authenticity Iqbal and Idries became master players of the great game of empire and its aftermath Part detective story part intellectual folly Empire's Son Empire's Orphan reveals the divergence between representation and reality between what we want to believe and the more complex truth **Gurdjieff Practice Book 2**
Bruno Martin, 2024-04-19 From the rich wealth of experience of his work with people Bruno Martin inspires with his new

practice book to deepen and strengthen the conscious inner work on oneself The foundation of these insights is based on the methods of G I Gurdjieff and John G Bennett which he has adapted and further developed to meet today's needs The new exercises in this Gurdjieff Practice Book 2 can lead seekers of truth into previously unrecognized experiences of connection with themselves From this conscious self remembering a harmonious unfolding of one's own being can take place for one's own good and for the good of the community The exercises in this new practice book not only expand the existing spectrum of ways of inner work they can also serve as food for the soul

Idiots in Paris Elizabeth Bennett, John Godolphin Bennett, 2012-04-02 In 1949 JG Bennett was engaged in with Gurdjieff's help a titanic struggle with his own nature which he describes in these diaries However Elizabeth's entries which make up the bulk of this book give witness to conditions in Gurdjieff's circle at the end of his life an impartial description with very little self in it In 2012 when there are few people left alive who met and worked with the Armenian mystic philosopher G I Gurdjieff in 1949 it is all the more important to have such an honest eyewitness account as the one Elizabeth Bennett presents here Elizabeth's original introduction included in this new edition and the diaries themselves outline far better than any later commentator can the conditions in which Gurdjieff's pupils lived as satellites revolving round a brilliant sun This edition contains new material unpublished entries from Elizabeth Bennett's personal Paris diary and a 2008 Foreword by Elizabeth and John Bennett's son George Bennett
