Sundays at Sarah's, 2003 **Antique Trader Book Collector's Price Guide** Richard Russell, 2009-11-13 This new edition of Antique Trader Book Collector's Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's Emma and J K Rowling's Harry Potter and the Philosophers Stone recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings *The Short Story Anthology and Women's Writing* Aleix Tura Vecino, 2025-08-14 Hundreds of anthologies of women's short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women's studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide **Women's Writing from the Low Countries 1200-1875** Lia van Gemert, 2010 This book provides a welcome English translation of a marvelous anthology of women's religious and secular writing stretching from the visions of the late medieval mystics through the prison testaments of sixteenth century Anabaptist martyrs to the pamphleteers and novelists of the growing urban bourgeoisie The translations and introductions demonstrate the ways that women in the Low Countries shaped the intellectual and cultural developments of their eras **The Palgrave Encyclopedia of Victorian Women's Writing** Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement *The Secrets of Women in Middle Dutch* Orlanda Soei Han Lie, Willem Kuiper, 2011 A poet head over heels in love with a charming lady writes a book at her request on intimate matters concerning women It is a delicate undertaking not only because it is a relatively unknown subject for him but also because he does not want her to be angry with him when she reads about these highly personal matters This is how Der vrouwen

heimelijcheit The Secrets of Women begins An intriguing characteristic of this fifteenth century text is the way in which the author has alternated scientific knowledge of the medieval artes corpus with a personal love complaint He interrupts his gynaecological exposition in twenty odd places to express his love in lyrical terms To make the text available for an international readership this publication provides a cultural historical introduction and presents the Middle Dutch Secrets of Women together with an English translation

Victorian Women Travellers in Meiji Japan Lorraine Sterry, 2009-01-29 This volume complements other published works about travel by nineteenth century women writers by locating and creating space for Japan which is missing within recent critical discourses on travel writing It examines the narratives of women writers who travelled to Japan from the mid 1850s onwards when Japan was first opened to the West and became a highly desirable travel destination for decades thereafter Many women travelled in this period and although most left no record of their journeys enough did to form a discrete body of literature spanning more than fifty years from the end of the feudal Tokugawa era to the rise of Meiji Japan as a world power Their narratives about Japan occupy a culturally significant place not only in the genre of Victorian female travel writing but in Victorian travel writing per se The writers who are the subject of this book are divided into two groups those who were travellers by intent namely Anna D A Alice Frere Annie Brassey Isabella Bird and Marie Stopes and those who travelled by default as the wives of diplomats namely Mrs Pemberton Hodgson Mrs Hugh Fraser and Baroness Albert d Anethan
