Sunflower Facing The Sun Poems Edwin Ford Piper Poetry Award:

Sunflower Facing the Sun Greg Pape, 1992 And thinking all days will be last days ep I would hold these two moments
and follow into the currents of sleep ep the woman's turning toward the water ep the dolphins leaping at sunset ep From
Annotation copyrighted by Book News Inc Portland OR **A Shared Life** Katherine Soniat, 1993 The innocence and
Keatsian beauty of Euclid's geometry become poignant from a perspective that encompasses all that is non Euclidean as well
as space time and the theory of matter With rare wit and linguistic daring Waldner opens resonant channels of
communication that show there is indeed more than meets the eye O Coor the mind O Coin her poems **The Gates of the
Elect Kingdom** John Wood, 1997 The four parts of this highly accomplished collection showcase the different facets and wide
breadth of John Wood's poetic talent Displayed here are his ability to sustain a sequence his adeptness with lyricism and the
short form and his sensuous feeling for this life and the life of the past In regard to the latter Wood begins the book with his
poetic account of the amazing life and adventures of the vigorous American utopianist Wilhelm Johannes Hoade Wood's
account reads like a novel as he weaves a fictional narrative out of lyric poetry a narrative that is finally convincing and true
in spite of its obvious impossibility The second section Homage to Dafydd ap Gwilym is a free but artistically faithful
translation after some of the medieval Welsh poet's major poems arranged in a way to suggest in a natural supernatural
mode his remarkable character and biography The third part is a group of finely tuned mostly lyric poems dealing with family
friends and intellectual concerns the fourth is a group of contemporary and historical revelations quite striking in scope and
variety All combine to form a dazzling whole *Something Has to Happen Next* Andrew Michael Roberts, 2009-03 The poems
in *Something Has to Happen Next* if given the chance might peer down inquisitively from a great height they speak of
quietness namelessness the reachlessness of love the fortune of animals and their silence apocalypse abandonment
beginnings and endings Working with brevity and compression Andrew Michael Roberts first imagines how small he can go
with a poem and still maintain some sort of emotional or imagistic center Then released from this limitation the rest of his
playful unexpected poems expand to fill a world with imagery emotion and sound What Roberts calls simply a book of small
poems grew out of his obsessions with time and catastrophe and love and abandonment what is always possible almost
attained but lost at the last minute When something ends or when everything ends something else must always happen next
what will it be and who will be there to name and love and destroy it **American Flamingo** Greg Pape, 2005-03-07 Taking
its title from an Audubon painting *American Flamingo* shares with the artist an exquisite attention to detail and the
suggestion of a larger sense of time and place through depictions of the intimate interactions between creatures and their
habitats In his fifth collection of poetry Greg Pape melds memorable images from the natural world with the drama of
ordinary experience to capture small transformations of human character in American settings from Arizona's Sonora Desert
to the icy streets of Washington D C Through elegies character sketches and lyric and narrative evocations of family and

place Pape offers lucid and startling poems that bridge the spaces between the past and the present men and women and urban and rural landscapes *Swamp Candles* Ralph Burns,1996 In his convincing and highly accomplished fifth book Ralph Burns draws on his deep practice and experience His tones forms and subjects are various and striking the work of a poet mature and courageous enough to range through the full spectrum of his emotions Sometimes Burns is haunted by the strength and fallibility of the Christian tradition and in many of his poems he explores the conflicts between individuals and the larger world the mystery and responsibility of choice consequence and inconsequence the terror of being taken
