Includes 8 hours of native speaker audio recordings. *Elementary Vietnamese* was originally developed for classroom use at Harvard University and is designed to provide a solid grounding in Vietnamese grammar usage and pronunciation. The lessons are carefully structured to guide you through the essential sentence patterns from your first encounter with them in dialogues to more detailed explanations and exercises. Each lesson contains a helpful cultural note and commonly used proverbs and idiomatic expressions. This revised edition has been thoroughly updated to reflect recent developments in the language and culture. It includes audio recordings by native Vietnamese speakers for all of the lessons. Innovative pronunciation drills help you to improve your pronunciation and new usage examples, exercises and photos explore the diversity, heritage and history of today's Vietnam.

Part 2, the narrative part, includes written materials that are characteristic of formal Vietnamese. It aims to develop the learner's reading and writing skills as well as speaking skills. The lessons focus on various aspects of life in present-day Vietnam, including topics such as culture, history, geography, economy, theater, music, tourism, literature, poetry, cinema and sports. Each lesson helps you to learn Vietnamese by building your Vietnamese proficiency using several complementary elements to thoroughly develop your skills in reading, writing, listening and speaking. Key features of *Continuing Vietnamese* include online audio files offering native speakers' renditions of all the dialogues and narratives, vocabulary, grammar and usage explanations, everyday Vietnamese expressions, pronunciation drills and exercises, and even some popular Vietnamese proverbs.
