Farewell to the World Marzio Barbagli,2015-10-06 What drives a person to take his or her own life Why would an individual be willing to strap a bomb to himself and walk into a crowded marketplace blowing himself up at the same time as he kills and maims the people around him Does suicide or voluntary death have the same meaning today as it had in earlier centuries and does it have the same significance in China India and the Middle East as it has in the West How should we understand this distressing often puzzling phenomenon and how can we explain its patterns and variations over time In this wide ranging comparative study Barbagli examines suicide as a socio cultural religious and political phenomenon exploring the reasons that underlie it and the meanings it has acquired in different cultures throughout the world Drawing on a vast body of research carried out by historians anthropologists sociologists political scientists and psychologists Barbagli shows that a satisfactory theory of suicide cannot limit itself to considering the two causes that were highlighted by the great French sociologist mile Durkheim namely social integration and regulation Barbagli proposes a new account of suicide that links the motives for and significance attributed to individual actions with the people for whom and against whom individuals take their lives This new study of suicide sheds fresh light on the cultural differences between East and West and greatly increases our understanding of an often misunderstood act It will be the definitive history of suicide for many years to come

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
