Summer At Stellers Creek:

Summer at Steller's Creek Anne Clay Cernyar, 2000-09 Penny I said uneasily It's getting dark She looked around at the darkening water and deepening shadows Then we stared at each other with wide eyes Let's go she quavered We reeled in the fishing line grabbed our bait can and started back through the trees In a few moments we reached the trail and paused to catch our breath Then we heard it Deep in the willow thicket as if something heavy had stepped on it a branch cracked We stood paralyzed for a second Don't move I whispered just as Penny screamed and started running up the trail toward the cabin A spunky twelve year old homeschooler A remote cabin in the Rocky Mountains An older brother's secret A lively wolf dog pup and dogsled dreams A dangerous visitor and a hostile neighbor with unsettling questions Is Jessica ready for her summer at Steller's Creek Extra An Afterword with discussion questions presents classical arguments for God's existence From the Foreword A delightful read It keeps you reading and enjoying the story while you learn how to walk with God I highly recommend it Dr Gary Habermas Distinguished Professor and Chair of the Department of Philosophy and Theology at Liberty University

In the Shadow of the Mountains Anne C. Cernyar, 2002-11 Move six hours away just before her junior year of high school Trade a comfortable suburban home for log cabin living Share a tiny bedroom with her impossible younger sister Miss the chance to date the hottest guy in school Give up a dream job with a local vet Not if fifteen year old Dixie Morris has anything to say about it Although money problems force her family to sell their home and start a new life in a tiny mountain cabin Dixie determines that she will return to her private high school as soon as the summer is over Arranging a place to stay finding finances for tuition learning to drive and tackling life in the mountains are just a few of the obstacles she faces but when Dixie makes up her mind nothing can stand in her way Or can it As Dixie struggles with her problems life brings her face to face with herself and with God A poignant story of hopes heartbreaks growing up and discovering what really matters in life EXTRA An Afterword with discussion questions presents a classical perspective on the problem of pain
