Michael Brown

Sumner Welles Fdrs Global Strategist A Biography By:

Sumner Welles: FDR's Global Strategist Benjamin Welles, 2022-07-11 Sumner Welles 1892 1961 ranks among the half dozen most influential American career diplomats of this century And among high officials brought down by sexual scandal he has no rivals This long awaited biography by his son Benjamin blends an adequate narrative of diplomatic achievement with a candid and painful description of the subject s alcohol fueled bisexual excess in an era when unconventional sexual behavior was often a matter of criminal prosecution As a diplomat and shaper of foreign policy Welles like Roosevelt showed an appreciation of the importance of power a liberal commitment to the Good Neighbor policy toward Latin America cautious support for the establishment of the United Nations and a belief that difficult problems with the Soviet Union could be worked out He wrote and spoke with educated precision and was able to do more work in a day than most people could do in a week as a candid sympathetic portrait of a great and tragic figure in a bygone era of aristocratic privilege the biography succeeds admirably The New York Times An absorbing study of an enigmatic character who for nearly a decade after 1933 as Franklin Roosevelt s trusted adviser wielded great influence over American foreign policy While the author treats convincingly the diplomatic episodes in which his father played a significant role it is as a study in character that the book makes its most important contribution Foreign Affairs Affectionate yet scrupulously candid this biography by his son is an act of homage Publishers Weekly This is one of the saddest stories of a good soldier that I have ever read Until 1943 Sumner Welles an often arrogant patrician who had attended Groton School and Harvard College a decade after Franklin Delano Roosevelt was one of the most distinguished members of the interwar foreign service rising to become undersecretary of state in Roosevelt s administration He had elaborated the Good Neighbor Policy in the 1930s he wrote the Atlantic Charter which Roosevelt and Winston Churchill endorsed in 1941 he drafted the United Nations charter and supported the creation of Israel as a national homeland for Jews Unfortunately scandal destroyed Welles career a compassionate but ruthlessly honest biography Neither harsh nor apologetic Benjamin Welles shows a deep understanding of his father s character The Los Angeles Times Benjamin Welles has provided a very complete portrait a significant contribution to scholarship in its own right The National Interest A fascinating look at a little remembered contributor to 20th century history Benjamin Welles is also to be commended for seeing his father s weaknesses and not pulling punches when discussing them Kirkus A detailed and sympathetic portrait that does not disguise the flaws of its subject Benjamin Welles s book should stand as the definitive biography for a long time Latin American Research Review This is a graceful life and times summary as well as a look at the sometimes troubled personal life of an important figure a personal life that did affect Welles s public life A son s perspective is unique The International History Review Benjamin Welles has written the best biography and account of Sumner Welles and his diplomatic career the scope of research is extensive and impressive the author has conscientiously laid out his father s painful personal issues alcoholism adultery and homosexuality which adversely affected Welles s career Welles the author

has written the best account about his father's diplomatic career *The Americas* The diplomat's son has done a remarkable job of seeking to present a balanced picture of his father's service The book is an important one *Presidential Studies Quarterly*

Sumner Welles Benjamin Welles,1997-11-15 In 1915 Sumner Welles the son of an aristocratic family began to work for the US State Department Welles quickly showed an aptitude for the delicate job of international negotiation His early successes in Japan later brought him to the attention of FDR who brought him into his administration as Under Secretary of State While Welles provided FDR with invaluable information about Europe and Japan his main achievement was the development of US relations with Latin America His bright career however was not to last In 1940 FDR and his cabinet traveled to the funeral of William Bankhead Speaker of the House Welles traveled with them and on the return journey he propositioned a black Pullman car porter allowing an aspect of his life that was heretofore hidden to emerge The scandal was made public and Welles resigned in 1943 thereby ending his career This life of Sumner Welles is candidly written for the first time by his son Benjamin Welles Anyone interested in the accomplishments of this great man the history of his time and the presidency of FDR will want to read this beautifully written book

Sumner Welles Benjamin Welles,1997 In 1915 Sumner Welles began to work for the US State Department His early successes in Japan later brought him to the attention of FDR who brought him into his administration as Under Secretary of State While Welles provided FDR with information about Europe and Japan his main achievement was the development of US relations with Latin America

The FDR Years William D. Pederson,2009 Born in 1882 in New York Franklin Delano Roosevelt entered public service through the encouragement of the Democratic Party and won the election to the New York Senate in 1910 This book details his administration at the height of the Great Depression as he valiantly led the nation with the phrase The only thing we have to fear is fear itself

World War II Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino

Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research

New Deal Cowboy Michael Duchemin, 2016-09-22 Best known to Americans as the singing cowboy beloved entertainer Gene Autry 1907 1998 appeared in countless films radio broadcasts television shows and other venues While Autry's name and a few of his hit songs are still widely known today his commitment to political causes and public diplomacy deserves greater appreciation In this innovative examination of Autry's influence on public opinion Michael Duchemin explores the various platforms this cowboy crooner used to support important causes notably Franklin D Roosevelt's New Deal and foreign policy initiatives leading up to World War II As a prolific performer of western folk songs and country western music Autry gained popularity in the 1930s by developing a persona that appealed to rural small town and newly urban fans It was during this same time Duchemin explains that Autry threw his support behind the thirty second president of the United States Drawing on a wealth of primary sources Duchemin demonstrates how Autry popularized Roosevelt's New Deal policies and made them more attractive to the American public In turn the president used the emerging motion picture industry as an instrument of public diplomacy to enhance his policy agendas which Autry's films backed by Republic Pictures unabashedly endorsed As the United States inched toward entry into World War II the president's focus shifted toward foreign policy Autry responded by promoting Americanism war preparedness and friendly relations with Latin America As a result Duchemin argues Sergeant Gene Autry played a unique role in making FDR's internationalist policies more palatable for American citizens reluctant to engage in another foreign war New Deal Cowboy enhances our understanding of Gene Autry as a western folk hero who during critical times of economic recovery and international crisis readily assumed the role of public diplomat skillfully using his talents to persuade a marginalized populace to embrace a nationalist agenda By drawing connections between western popular culture and American political history the book also offers valuable insight concerning the development of leisure and western tourism the information industry public diplomacy and foreign policy in twentieth century America

The Siege of Tsingtau Charles Stephenson, 2017-06-30 A well written modern narrative of the political and military events leading up to during and after the German Japanese War of 1914 The Australian Naval Institute The German Japanese War was a key yet often neglected episode in the opening phase of the First World War It had profound implications for the future particularly in respect of Japan's acquisition of Germany's Micronesian islands Japan's naval perimeter was extended and threatened the United States naval strategy of projecting force westward The campaign to relieve Germany of Tsingtau the port and naval base in China and its hinterland posed a grave threat to Chinese independence The course of the Second World War in China and the Pacific cannot be explained without reference to these events Charles Stephenson's account makes fascinating reading The siege of Tsingtau by the Japanese with token British participation forms the core of his story He draws on Japanese and German primary sources to describe the defenses

the landings the course of the siege and eventual German surrender His study will be absorbing reading for anyone interested in the campaigns of the First World War outside of Europe in German colonial expansion and the rise to power of Japan Overall the volume delivers a much needed interesting and often highly detailed overview of operations in the Pacific and the siege of Tsingtau The volume excels especially in its detailed narrative of naval and land operations in the Pacific and in China The geopolitical background provides a most useful introduction to the history of the region International Journal of Maritime History

Seeking Justice for the Holocaust Graham B. Cox, 2019-09-12 The Nuremberg War Crimes Trial has become a symbol of justice the pivotal moment when the civilized world stood up for Europe's Jews and ultimately for human rights Yet the world represented at the time by the Allied powers almost did not stand up despite the magnitude of the horrors perpetrated by the Nazis Seeking justice for the Holocaust had not been an automatic or an obvious mission for the Allies to pursue In this book Graham Cox recounts the remarkable negotiations and calculations that brought the United States and its allies to this point At the center of this story is the collaboration between Franklin D Roosevelt and Herbert C Pell Roosevelt's appointee as U S representative to the United Nations War Crimes Commission in creating an international legal protocol to prosecute Nazi officials for war crimes and genocide Pell emerges here as an unheralded force in pursuing justice and in framing human rights as an international concern The book also enlarges our perspective on Roosevelt's policies regarding European Jews by revealing the depth of his commitment to postwar justice in the face of staunch opposition even from some within his administration What made the international effort especially contentious was a debate over its focus how to punish for aggressive warfare and crimes against humanity Cox exposes the internal contradictions and contortions behind the U S position and the maneuverings of numerous officials negotiating the legal parameters of the trials Most telling perhaps were the efforts of Robert H Jackson the chief U S prosecutor at Nuremberg to circumscribe the scope of new international law for fear of setting precedents that might boomerang on the United States because of its own racial segregation practices With its broad new examination of the background and context of the Nuremberg trials and its expanded view of the roles played by Roosevelt and his unlikely deputy Pell Seeking Justice for the Holocaust offers a deeper and more nuanced understanding of how the Allies came to hold Nazis accountable for their crimes against humanity

FDR's World D. Woolner, W. Kimball, D. Reynolds, 2008-10-27 This volume assesses Franklin Roosevelt's role as war leader from the vantage point of the twenty first century by looking at different aspects of his foreign policy

Franklin and Winston Jon Meacham, 2004-10-12 NEW YORK TIMES BESTSELLER In this beautifully written and superbly researched dual biography Los Angeles Times Book Review Pulitzer Prize winning biographer Jon Meacham paints a powerful portrait of the enormous friendship between World War II allies Franklin Roosevelt and Winston Churchill Vanity Fair Intense and compelling reading The Washington Post Franklin Roosevelt and Winston Churchill were the greatest leaders of the Greatest Generation In *Franklin and Winston* Jon Meacham explores the fascinating relationship between the two men who piloted the

free world to victory in World War II Born in the nineteenth century and molders of the twentieth and twenty first Roosevelt and Churchill had much in common In their own time both men were underestimated dismissed as arrogant and faced skeptics in their own nations yet both magnificently rose to the central challenges of the twentieth century Theirs was a kind of love story with an emotional Churchill courting an elusive Roosevelt The British prime minister who rallied his nation in its darkest hour standing alone against Adolf Hitler was always somewhat insecure about his place in FDR s affections which was the way Roosevelt wanted it A man of secrets FDR liked to keep people off balance including his wife Eleanor his White House aides and Winston Churchill Meacham s sources including unpublished letters of FDR s great secret love Lucy Mercer Rutherford the papers of Pamela Churchill Harriman and interviews with people who were in FDR and Churchill s joint company shed light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle Charting the personal drama behind the discussions of strategy and statecraft Meacham has written the definitive account of the most remarkable friendship of the modern age
