Sun Guide To The Jumps:

The Sun Guide to the Jumps 2004/2005 Damian Walker, 2004 **The Sun-sation** Roslyn Grose, 1989 **Jump at the Sun** John Lowe, 1997

Lowe has written what may well be the Hurston book for the years to come. Werner Sollors, Harvard University. Lowe's study smartly begins with the assumption that one reason for the stunning popularity of Hurston's work is the verve with which it addresses serious subjects in a comic style. Cheryl A. Wall, editor of *Changing Our Own Words: Essays on Criticism Theory and Writing by Black Women*. Appreciative of Hurston's bodacious humor, Lowe argues that she is a profoundly serious, experimental, subversive, and therefore unsettling artist. Strongly recommended. Choice. A trailblazing effort, a work that will enrich our understanding of Hurston's fiction. William R. Nash, *The Southern Literary Journal*. The most important book-length contribution to Hurston scholarship since Robert Hemenway published his biography in 1978. Will Brantley, *Contemporary Literature*.

Jumping the Color Line Susie Trenka, 2021-02-02. From the first synchronized sound films of the late 1920s through the end of World War II, African American music and dance styles were ubiquitous in films. Black performers, however, were marginalized, mostly limited to appearing in specialty acts and various types of short films, whereas stardom was reserved for Whites. *Jumping the Color Line* discusses vernacular jazz dance in film as a focal point of American race relations. Looking at intersections of race, gender, and class, the book examines how the racialized and gendered body in

film performs challenges and negotiates identities and stereotypes Arguing for the transformative and subversive potential of jazz dance performance onscreen the six chapters address a variety of films and performers including many that have received little attention to date Topics include Hollywood's first Black female star Nina Mae McKinney male tap dance class acts in Black cast short films of the early 1930s the film career of Black tap soloist Jeni LeGon the role of dance in the Soundies jukebox shorts of the 1940s cinematic images of the Lindy hop and a series of teen films from the early 1940s that appealed primarily to young White fans of swing culture With a majority of examples taken from marginal film forms such as shorts and B movies the book highlights their role in disseminating alternative images of racial and gender identities as embodied by dancers images that were at least partly at odds with those typically found in major Hollywood productions

Earth and Me Mike Artell, Pam Schiller, PhD, 1995 Brimming with kid friendly activities this book helps young children understand the natural world around them and how their actions can affect the environment Nine lessons cover the sun water air soil trees and plants endangered species litter noise and recycling Each chapter begins with stories poems or songs to introduce the topic Thoughts to ponder discussion questions and cross curricular projects follow The lessons conclude with activities parents can do at home to reinforce and expand upon what students have learned at school Grades K 2
