Frank G. Honeycutt

Sunday Preaching:

Sunday Comes Every Week Frank G. Honeycutt, 2019-06-11 Seasoned advice for pastors facing the weekly challenge of preparing sermons For pastors a new sermon comes every week Conventional wisdom says that pastors need to sequester themselves to prepare their weekly sermon without distraction But veteran preacher Frank Honeycutt suggests just the opposite prepare your sermons as part of a daily lived experience in the community Using the days of the week as a framework Honeycutt describes practical and essential tasks leading up to the writing and delivery of the Sunday sermon habits that will provide lasting spiritual nourishment for pastors who plan for a long career in parish ministry With humor and candid acknowledgment of his own mistakes and doubts Honeycutt reflects on the joys and hazards of ministry and explains how a faithful process of preaching shapes pastors for a lifetime of healthy ministry Monday Listening Tuesday Hearing Wednesday Exegeting Thursday Naming Reflecting A Pastor Looks Back Friday Writing Saturday Rehearsing Sunday Offering

Sunday's Sermon for Monday's World Sally A. Brown, 2020-04-07 What can preachers do to help congregants navigate everyday life with the courage imagination and savvy it takes to testify in action and word to God's mercy and justice Christianity's witness depends on credible Christian lives carried out in ordinary settings of everyday life Sunday's Sermon for Monday's World helps preachers design sermons that equip believers to act with improvisational creative courage in the ordinary settings of their Monday to Saturday lives How can we who preach inspire the ordinary prophets of our time those who in Christ's name will act in great or small ways as agents of redemptive interruption Sally A. Brown with her extensive experience both in parish ministry and training others for ministry shares preaching strategies that equip these ordinary prophets to take daring action Brown begins by reconsidering the power and limits of the missional model of Christian witness and argues that Christian witness today must be adaptive and therefore imaginative and improvisational She then turns to the connection between the sermons our listeners hear on Sunday and their capacity to timely inventive action in everyday situations Sunday's Sermon for Monday's World will inspire both preachers and those who listen to them to move from sanctuary to street week after week eager to discern and participate in the ongoing redemptive work of God already under way amid the ordinary scenes and settings of their Monday to Saturday lives

Preaching in the Sunday Assembly James A. Wallace, 2010-11-01 What should preachers aim for in Sunday preaching In 1982 the USCCB document *Fulfilled in Your Hearing* The Homily in the Sunday Assembly answered this question Here in a pastoral commentary on *Fulfilled in Your Hearing* several Catholic scholars in homiletics liturgy and biblical studies both appreciate the abiding insights of *Fulfilled in Your Hearing* and also propose areas for continuing reflection Following the four sections of the Bishops document The Assembly The Preacher The Homily and Homiletic Method This commentary emphasizes the document's continuing importance for the initial and ongoing formation of Catholic liturgical preachers while also inviting conversation about present day cross cultural liturgical and communication concerns for Catholic preaching

Billy Sunday's Most Powerful Sermons Billy Sunday, 2018-02-04 I believe the Bible is the word of God from cover to cover I believe that the man who magnifies the word of God in his preaching is the man whom God will honor Why do such names stand out on the pages of history as Wesley Whitefield Finney and Martin Luther Because of their fearless denunciation of all sin and because they preach Jesus Christ without fear or favor
