

Golden gaze, under azure skies,
Your face to the sun, my heart lies.
Roots deep, in earth's embrace,
Love blooms, in a sunlit space.

Petals bright, in morning's glow,
A love so pure, only sunflowers know.
In fields vast, you stand tall,
My sun, my flower, my all.

Sunflower of Hope ,1982 **Dissident Authorship in Mozambique** Tom Stennett,2024-02-16 This book is the first monograph on neglected Portuguese poet and painter Ant nio Quadros 1933 1994 It analyses the question of what it means to be an author in Mozambique through Quadros s quirky literary works which he published under three pennames and interrogates Barthes s and Foucault s influential theories on authorship **Who's who in Contemporary Women's Writing** Jane Eldridge Miller,2002 Entries profile women writers of poetry fiction prose and drama including Sylvia Plath Fleur Adcock and Toni Morrison **It's Revolution, Actively** John McGreal,2017-04-18 John McGreal s three new books It s Reproduction Contently It s Revolution Actively and It s Transformation Contently continue the It Series published by Matador since 2010 *Resistance Literature* Barbara Harlow,2023-03-01 As one of the foundational texts in the field of postcolonial writing Barbara Harlow s *Resistance Literature* introduced new ground in Western literary studies Originally published in 1987 and now reissued with a new Preface by Mia Carter this powerfully argued and controversial critique develops an approach to literature which is essentially political *Resistance Literature* introduces the reader to the role of literature in the liberation movements of the developing world during the 20th Century It considers a body of writing largely ignored in the west Although the book is organized according to generic topics poetry narrative prison memoirs thematic topics and the specific historical conditions that influence the cultural and political strategies of various resistance struggles including those of Palestine Nicaragua and South Africa are brought to the fore Among the questions raised are the role of women in the developing world communication in circumstances of extreme atomization literature versus propaganda censorship and the problem of adopting literary forms identified with the oppressor culture West Africa ,1982

Historical Dictionary of Mozambique Mario Joaquim Azevedo,Emmanuel U. Nnadozie,Tombe Nhamitambo Mbuia-João,2003 The Historical Dictionary of Mozambique Second Edition is a concise chronological analysis of the historical socio political economic and cultural issues Mozambique has faced as well as the personalities that have shaped its history from the earliest times to the present **How the Other Half Lives** ,1982 The Heinemann Book of African Women's Poetry Stella Chipasula, Frank Mkalawile Chipasula,1995 This first major anthology of African women s poetry offers an extensive selection of poetry by women all over the African continent *Southern African Literatures* Michael J. F. Chapman,2003 *Southern African Literatures* is a major study of the work of writers from South Africa Zimbabwe Zambia Malawi Angola Mozambique and Namibia written at a time of crucial change in the subcontinent It covers a wide range of work from the storytelling of stone age Bushmen to modern writing by renowned figures such as Es kia Mphahlele Nadine Gordimer and Andr c Brink encompassing traditional popular and elite writing literature in translation and case studies based on topical issues Michael Chapman argues that literary history in the southern African region is best based on a comparative method which while respecting differences of language race and social circumstance seeks cultural interchange

including translations of experience across linguistic and ethnic borders Instead of perpetuating division the study examines points of common reference as it asks what makes a literary culture Who are to be regarded as major and minor authors What are the strengths and limitations of local and international perspectives Should literature in today s southern Africa be confined to the art forms of poems plays and fiction The author seeks to answer these questions vital to all literary discussion in the volatile context of recent southern African history in a style accessible to the general reader The study is republished with a revised Preface in which the author considers the sometimes heated debates that accompanied the book s initial appearance Southern African Literatures in 2000 was awarded the premier Bill Venter Prize for academic literature in South Africa
