Sunset Tears:

The Locket Teresa Mason, 2010-01-13 Tracy Ross is a young woman intent on saving her institutionalized unresponsive grandmother. Losing her job and discovering her partner Jeff is having an affair, Tracy begins to think she is following down the same path of destruction. Tracy decides to break the ties with her grandmother, but upon visiting, tears fall from her grandmother's eyes, and Tracy believes that she is not lost forever. Tracy takes a journey into her grandmother's mysterious past, encountering people who knew her who possess supernatural powers. Murder and life-threatening peril will decide if she saves her grandmother or becomes a victim herself. **IT'S ALL MADE UP!** Mario III Tidoy, 2024-04-15 This poetry collection contains spontaneously composed works often inspired by fictional scenarios from my imagination. The poems mainly focus on romantic themes, exploring idealized outcomes alongside their opposites, depicting scenarios of what might have been, should have been, or could have been. The decision to start this literary journey came from a lifelong habit of creating detailed scenarios in my mind, finding joy in envisioning both realistic and fantastical situations. While love is a key theme in the collection, I have woven moments of emotional depth to offer a rich narrative. These poems serve as channels for my feelings, capturing fleeting moments of intense passion and deep sorrow. Navigating through my emotions, each verse mirrors the complexities of human relationships and the intricacies of the human heart. Within my imagination, I am free to explore the depths of love, loss, yearning, and everything in between. Through language's rhythm and metaphorical artistry, I invite you to embark on a journey through a range of emotions that reside within us all. Each poem acts as a reflection of the soul, providing insight into a heart that beats with vulnerability and resilience. As you delve into these lines, may you find comfort in the shared experiences that unite us through themes of love and longing. All my love, Mairux. **Sum of All Expectation** Susan Lyttek, 2024-04-26 Garth Bern and Nellie are looking for a savior, the prophesied one who will come to free Telba from the grip of the evil one. But in the first world, Garth and Nellie are being tortured while Nellie and Ally have been captured and forced to work as slaves. Bern's group of refugees battle evil and the elements. Is Telba doomed by the choices of its people? They will need aid that's greater than the sum of all expectation. **The American Mail-bag, Or Tales of the War** American mail-bag, 1863 **Curious Memories** Luke Sheehan, 2023-01-17 I know life is brutal, and on some days it may be impossible to breathe. But know you will find love, and those who wish to help even when all is at its darkest. So please hold on, brace yourself, and ask for help, because your light is precious and is worth fighting through those darkest moments. This includes you, Sam. **Dead Man's Cove and Kidnap in the Caribbean** Lauren St John, 2014-05-08 2 in 1 edition of the first two stories in the BLUE PETER AWARD winning mystery adventure series about 11-year-old ace detective Laura Marlin.
