Kittentits Holly Wilson, 2024-05-21 Molly is one of the greatest young female characters I've had the luck of reading since I picked up Joy Williams's *The Quick and the Dead* back in 2000 I TRULY LOVE THIS BOOK Gillian Flynn Gillian Flynn Books Holly Wilson's *Kittentits* is sacred and profane filled with big emotions all amplified by grief Molly is a wholly unique and charismatic narrator navigating and creating chaos as she seeks out a way to hold onto both the living and dead This is a wildly funny and utterly convincing coming of age novel like nothing I've read before Kevin Wilson author of *Nothing to See Here* A feral heart busting absurdist debut about Molly a rambunctious and bawdy ten year old searching for friendship and ghosts It's 1992 and ten year old Molly is tired of living in the fire rotted nun haunted House of Friends a Semi Cooperative Living Community of Peace Faith's in Action with her formerly blind dad and their grieving housemate Evelyn But when twenty three year old Jeanie a dirt bike riding ex con with a shady past moves in she quickly becomes the object of Molly's adoration She might treat Molly terribly but they both have dead moms and potty mouths so naturally Molly is the moth to Jeanie's scuzzy flame When Jeanie fakes her own death in a hot air balloon accident Molly runs away to Chicago with just a stolen credit card and a sweet pair of LA Gear Heatwaves to meet her pen pal Demarcus and hunt down Jeanie What follows is a race to New Year's Eve as Molly and Demarcus plan a chance to reunite with their lost moms in front of a live audience at the World's Fair A surrealist and bold take on the American coming of age novel Holly Wilson's debut is about the interstices of loss grief and friendship

Jailbreak Giles Tippet, 2016-10-11 Acclaimed western writer Giles Tippet takes the action south of the border where blood is thicker than water no matter how many bullets are fired Running the Half Moon ranch is all the excitement Justa Williams needs in his life But when his brother Norris looks into a squatter situation near the Mexican border and lands in a Monterrey jail for his troubles Justa rides out to get his kin released When the usual channels get rebuffed Justa enlists the aid of a dozen kill crazy banditos to get the matter resolved the old fashioned way Now there's just a hundred miles of Mexican desert to cross before they can reach the Texas border Hopefully they've got enough bullets left to get them there Praise for Giles Tippet and *The Bank Robbers* Tippet can plot away with the best of them Dallas Morning News Like *True Grit* a small masterpiece brilliantly written Newark News Spine jarring bullet biting intensity Houston Post Tough gutsy and fascinating NY Newsday Impressive authenticity Booklist His fiction is taught and gripping Houston Spectator

Tippetts,2016-08-02 Acclaimed western storyteller Giles Tippetts delivers a truly exciting novel of family pride and frontier violence As boss of the Half Moon ranch the biggest along the Gulf Coast of Texas Justa Williams is a chip off the old mans block But when the old man ups and asks him for a dying mans favor it s Justa s duty to honor his words Even if that means taking 25 000 of company gold and riding blind into the blood soaked Cherokee battleground of Oklahoma Territory to look for a man who may not even be alive and settle an old score Odds are high things wont end up well but son of a gun at least this son knows how to point his and fire off bullet after bullet Now will a son pay for his fathers past in blood Praise for Giles Tippetts and The Bank Robbers Like True Grit a small masterpiece brilliantly written Newark News Spine jarring bullet biting intensity Houston Post Tough gutsy and fascinating NY Newsday Impressive authenticity Booklist His fiction is taught and gripping Houston Spectator **Female Serial Killers** Peter Vronsky,2007-08-07 In this fascinating book Peter Vronsky

exposes and investigates the phenomenon of women who kill and the political economic social and sexual implications buried with each victim How many of us are even remotely prepared to imagine our mothers daughters sisters or grandmothers as fiendish killers For centuries we have been conditioned to think of serial murderers and psychopathic predators as men with women registering low on our paranoia radar Perhaps that s why so many trusting husbands lovers family friends and children have fallen prey to the female monster From history s earliest recorded cases of homicidal females to Irma Grese the Nazi Beast of Belsen from Britains notorious child slayer Myra Hindley to Honeymoon Killer Martha Beck to the sensational cult of Aileen Wournos the first female serial killer as celebrity to cult killers homicidal missionaries and our pop culture fascination with the sexy femme fatale Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity INCLUDES PHOTOGRAPHS **SEX MONEY AND MURDER**

Jesse Davidson,2014-09-04 This novel is based on the character named J D or John Dough who decides to come up with some cash by robbing a bank with his partner and lover Sunshine Well this decision puts in play a chain of events that began to engulf love ones and friends who he d had no intention of ever having be involved Murder and betrayal is the epoch of J D life after that one bad decision Hidden truths about people he d once trusted began to resurrect on his path of trying to get out of going to prison and taking his friends with him While attempting to keep a straight head to figure out his next chess move

with out being checkmated He began to realize the love he d suppressed for Dimmie Davis who was his fianc which he abandoned but now needed to aid him in figuring out this complex paradox he s now stuck in His nemesis is Detective Gonzales and a slew of others he creates on his path to redemption So I hope you enjoy this roller coaster ride of sex money and murder with J D and God who is constantly revealing revelations with hindsight knowledge and prophetic wisdom on his race to survive

Gunpoint Giles Tippet,2017-02-14 A legend in Western fiction Giles Tippet brings the relentless unforgiving West alive with bullet driven tales of honor and survival Justa Williams didn t build up his sprawling Half Moon ranch by sitting back on his spurs More often than not he had to invest a bullet or two or three or more as many as it takes to keep the unwanted off his property But when a scheming cattleman figures out a way to suck the ranch dry and kill off his prized possessions it s time for Justa to saddle up and hunt down the root of the problem And when Justa gets there there s no telling how many bullets it ll take to spell out R E V E N G E Praise for Giles Tippet Tippet can plot away with the best of them Dallas Morning News Like True Grit a small masterpiece brilliantly written Newark News Spine jarring bullet biting intensity Houston Post Tough gutsy and fascinating NY Newsday Impressive authenticity Booklist His fiction is taught and gripping Houston Spectator Tippet can write rough and tumble action superbly Chattanooga Times
