

SINN FÉIN and the SDLP

From Alienation to Participation

**GERARD MURRAY
AND JONATHAN TONGE**

Sinn Fein And The Sdlp From Alienation To Participation

Gerard Murray

Sinn Fein And The Sdlp From Alienation To Participation:

Sinn Féin and the SDLP Gerard Murray, Jonathan Tonge, 2005 A political history of the SDLP and Sinn Féin from the onset of the Troubles in 1970 to the 2001 general election It outlines the political fortunes of the SDLP from its participation in the 1974 power sharing government to facing direct competition from Sinn Féin during the Hunger Strikes of the early 1980s Sinn Féin and the SDLP Gerard Murray, 2005 **The Catholic Church and the Northern Ireland Troubles, 1968-1998** Margaret M. Scull, 2019-09-11 Until surprisingly recently the history of the Irish Catholic Church during the Northern Irish Troubles was written by Irish priests and bishops and was commemorative rather than analytical This study uses the Troubles as a case study to evaluate the role of the Catholic Church in mediating conflict During the Troubles these priests and bishops often worked behind the scenes acting as go betweens for the British government and republican paramilitaries to bring about a peaceful solution However this study also looks more broadly at the actions of the American Irish and English Catholic Churches as well as that of the Vatican to uncover the full impact of the Church on the conflict This critical analysis of previously neglected state Irish and English Catholic Church archival material changes our perspective on the role of a religious institution in a modern conflict *Gerry Fitt and the SDLP* Sarah Campbell, 2015-05-01 Gerry Fitt was a key political figure in Northern Ireland for over twenty years yet there is no major historical evaluation of his contribution nor of his legacy or place in the memory of the minority community there Fitt played a central role in creating the identity of the Social Democratic and Labour Party SDLP as a socialist party Yet he noted that he was often in an unhappy minority of one over many issues and at times the relationship between himself and his party colleagues was very uneasy Drawing on unpublished party and private papers recently released Irish and British government papers and interviews this book is the first academic study of the role of Gerry Fitt in the politics of the SDLP and will examine the first decade of the party through the lens of his leadership **The IRA and Armed Struggle** Rogelio Alonso, 2007-03-12 Based on over seventy interviews conducted with former and existing members of the IRA this book provides a rigorous evaluation of the personal and political consequences of the IRA's campaign of violence Secessionism and Terrorism Glen Duerr, 2018-07-20 This book examines secessionist terrorism in a comparative context across Europe and Eurasia The volume seeks to uncover comparative linkages between terrorism and secessionism specifically examining terrorist organizations that also have a political goal of independence It examines a wide range of case studies including the IRA in Northern Ireland ETA in the Basque Country FLNC in Corsica and ARD in Brittany KLA in Kosovo PKK and TAK in Turkish Kurdistan and IK in Chechnya In doing so the book shows the linkages in terrorist tactics and demands as well as when and how ceasefires come into place Ultimately none of the terrorist organizations studied here has obtained their maximalist goal of gaining independence but each has caused significant bloodshed and has contributed to the debate on the future of governance in Europe and Eurasia The major strength of this format is to glean wider lessons on ethno nationalism as well as the causes

and outcomes of terrorist actions Each case study also updates the literature on the individual cases to provide the most recent account of events in these countries This book will be of much interest to students of terrorism and political violence ethnic conflict nationalism European politics and International Relations in general *The Routledge Handbook of the Northern Ireland Conflict and Peace* Laura McAtackney,Máirtín Ó Catháin,2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity **Dissident Irish Republicanism** Max Taylor,P.M. Currie,2011-07-15 This collection of papers examines the current rise in violence by Dissident Irish Republicans and its impact on the Northern Ireland Peace Process The work will address advanced undergraduate and graduate students in Terrorism Studies Irish Politics Political Violence and Conflict Studies *John Hume and the revision of Irish nationalism* P. J. McLoughlin,2013-01-18 The book available at last in paperback explores the politics of the most important Irish nationalist leader of his generation and one of the most influential figures of twentieth century Ireland the Nobel Peace Prize winner John Hume Given his central role in the reformulation of Irish nationalist ideology and the vital part which he played in drawing violent republicanism into democratic politics the book shows Hume to be one of the chief architects of the Northern Ireland peace process and a key figure in the making of the 1998 Good Friday Agreement At the same time it considers Hume s failure in what he stated to be his foremost political objective the conciliation of the two communities in Northern Ireland The book is essential reading for specialists on Irish history and politics but will also be of interest to academics and practitioners working in other regions of political and ethnic conflict In addition it will appeal to readers seeking to understand the crucial role played by Hume in modernising Irish nationalist thinking and bringing peace to Northern Ireland Insider Gerry Bradley,Brian Feeney,2012-12-01 BRADLEY SPEAKS OUT FOR THE FIRST TIME WITHOUT PERMISSION

FROM THE IRA The IRA was Gerry Bradley s life His sole interest was in ops carrying out on the ground war Inspired initially to defend his home place against Loyalist threats he became one of the most senior operators in Belfast IRA When things turned political there seemed to be no place for his kind of activism THE INSIDE STORY BY A SENIOR IRA MAN

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Tender Moments: **Sinn Fein And The Sdlp From Alienation To Participation** .
