Sinners In The Hands Of An Angry Church:

Sinners in the Hands of an Angry Church Dean Merrill, 1997 Written by a former vice president of Focus on the Family this is a book for Christians who want to take the high road in the personal and corporate war on culture Far from a prescription for apathy this book is a passionate call to Kingdom activity and our mission as ambassadors to a world Christ died for not as conquerors who would remake it in our image

Sinners in the Hands of an Angry God Jonathan Edwards, 1741 Preached at Enfield Connecticut on July 8 1741 this is perhaps the greatest sermon ever preached in America and is certainly among the most well known Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner it is also one of the most controversial Indeed for more than three quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men While it is difficult to read such graphic language there is abundant hope in the sermon's conclusion Edwards puts it this way And now you have an extraordinary opportunity a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon those who were present and actually heard him preach that day reacted in a decidedly different manner According to the diary of Reverend Stephen Williams who attended the sermon Before the sermon was done there was a great moaning and crying through the whole House what shall I do to be saved oh I am going to hell etc The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction And so in spite of what the scoffers might think or say the amazing and astonishing power of God was manifested among the people that day with many falling not into the hands of an angry God but into the arms of a mighty Savior

Sinners in the Hands of an Angry God Jonathan Edwards, 2012-03 Jonathan Edwards sermon *Sinners in the Hands of an Angry God* is arguably the most famous sermon ever preached It is an eloquent but passionate plea to take God's displeasure with man as the dire circumstance that it is A profound love for sinners and a pastor's heart motivated Edwards to preach this immortal address a message as relevant today as it was then His comprehensive urging of natural man to be born again is a masterful exercise in addressing all arguments that God's judgment and condemnation of sinners to hell can be averted by any effort of mankind He speaks of man's schemes and man's wisdom as utter foolishness Edwards backs up every claim he makes with Holy Scripture He well knows that there are people in the very congregation he is speaking to that will scoff and rebelliously turn their deaf ear to it and thereby die without excuse How about you dear reader Will you harken to God's fervent plea to you through His faithful servant Jonathan Edwards and be saved by His grace Will you rejoice in the power love and mercy of God and no longer be bound by fear of death To read this minister's powerful warnings offers yet another chance to be saved from a God that is both justly angry over sin and yet still willing able and ready to save us through the atoning death of His dear Son the Lord Jesus Christ The

message is a fiery one but that's the point Read it and live As an added bonus this edition also includes the famous address by C H Spurgeon Turn or Burn

God's Grace and the Homosexual Next Door Alan Chambers, **The American Holiness Movement** Darrell Poeppelmeyer, 2023-04-05 Secular historians tend to neglect the religious aspects of American history This book examines the great revivals which swept America during the nineteenth century Most modern Protestant denominations owe their existence in America due to these revivals From Mission to Church Eugene P. Heideman, 2001 In the nineteenth century the Scudders went to India with the avowed intention to confine their efforts to evangelistic preaching By the time the Reformed Church mission became a part of the Church of South India it was one of the most heavily institutionalized churches in the nation supporting agricultural and industrial efforts one of India's leading hospitals and numerous educational institutions This work by Eugene Heideman himself a missionary to India analyzes the causes for the shift in missionary emphasis in India illuminating in the process an intriguing yet little known component of the Reformed Church's witness
