Sisterhood And Solidarity Workers Education For Women 1914 1984:

Sisterhood and Solidarity Joyce L. Kornbluh, Mary E. Frederickson, **Women Workers' Education, Life Narratives and Politics** Maria Tamboukou, 2016-12-07 This book highlights the catalytic role of workers education in mobilizing political activism and women s involvement in labour struggles and politics Through a comprehensive study of the gendered aspects of workers education it explores the intellectual lives of women workers Drawing on the letters and papers of Fannia Mary Cohn a prominent figure in the US garment industry s trade union movement it discusses and further theorizes the importance of gender as an analytical category in the forceful interaction of labour education and migration histories The significance of the visual turn in feminist narrative analytics is considered and the book puts forward a compelling case for the contribution of writing working women in the intellectual and cultural life of the twentieth century

Girl's Schooling During The Progressive Era Karen Graves, 2014-06-03 This work traces the impact of a differentiated curriculum on girls education in St Louis public schools from 1870 to 1930 Its central argument is that the premise upon which a differentiated curriculum is founded that schooling ought to differ among students in order prepare each for his or her place in the social order actually led to academic decline The attention given to the intersection of gender race and social class and its combined effect on girls schooling places this text in the new wave of critical historical scholarship in the field of educational research

Rural Education (1991) Deyoung Alan, 2017-09-29 Originally published in 1991 essays discuss and analyse rural schooling in its historical social and political contexts as well as its educational mission Collections covering rural education in the United States are relatively rare particularly texts that focus on available research literature in context and many existing texts are written by educators outside of the University This book covers historical and social factors rural education in the field and the future of American Schooling The chapters comprise not only an airing of issues concerns and findings but also a guide to scholarship in the areas covered Included is a resource guide to information specific to rural education and rural special education

Identity Work in Social Movements Jo Reger, Daniel J. Myers, Rachel L. Einwohner, 2008 Movements for social change are by their nature oppositional as are those who join change movements How people negotiate identity within social movements is one of the central concerns in the field This volume offers new scholarship that explores issues of diversity and uniformity among social movement participants

Handbook of Ethical Educational Leadership Christopher M. Branson, Steven Jay Gross, 2014-05-09 The Handbook of Ethical Educational Leadership brings together an array of key authors to provide comprehensive coverage of the field of ethical educational leadership This important volume describes contemporary educational issues that necessitate the practice of ethical leadership reviews current theory and research informed practices and also explores a coherent framework for how ethical educational leadership can be achieved With chapters from leading authors and researchers from around the world each author contributes to a discussion of current thinking and an analysis of the field of ethical educational leadership

Coverage includes professionalism educational purpose social justice multiculturalism sustainability empathy and caring organizational culture moral development motivation integrity values and decision making Providing practical philosophical and experiential insights into the field The Handbook of Ethical Educational Leadership is an essential resource for the study of ethical leadership Women, Sport, Society Roberta Park, Patricia Vertinsky, 2013-09-13 During the last four decades women's and gender history have become vibrant fields including studies of attitudes regarding the limited physical and other abilities of females as well as studies of the accomplishments of notable female athletes We have become increasingly aware that women have made contributions to physical education dance and sport that go far beyond being teachers athletes and coaches They have created and implemented an astonishing variety of programs intended to serve the needs of large numbers of children and youth sometimes organizing student health services as well as chairing departments of physical education They have worked as directors of sport physical education and dance running playgrounds and recreational facilities and have created and or served as important officers of a variety of sporting organizations This book explores the contributions and achievements of women in a variety of historical and geographical contexts which not surprisingly opens opportunities for additions revisions and counter narratives to accepted histories of physical education and sport science It seeks to broaden our understandings about the backgrounds motivations and achievements of dedicated women working to improve health and bodily practices in a variety of different arenas and for often different purposes This book was previously published as a special issue of the International Journal of the History of Sport For the Many Dorothy Sue Cobble, 2024-12-10 A history of the twentieth century feminists who fought for the rights of women workers and the poor both in the United States and abroad For the Many presents an inspiring look at how US women and their global allies pushed the nation and the world toward justice and greater equality for all Reclaiming social democracy as one of the central threads of American feminism Dorothy Sue Cobble offers a bold rewriting of twentieth century feminist history and documents how forces peoples and ideas worldwide shaped American politics Cobble follows egalitarian women's activism from the explosion of democracy movements before World War I to the establishment of the New Deal through the upheavals in rights and social citizenship at midcentury to the reassertion of conservatism and the revival of female led movements today Cobble brings to life the women who crossed borders of class race and nation to build grassroots campaigns found international institutions and enact policies dedicated to raising standards of life for everyone Readers encounter famous figures including Eleanor Roosevelt Frances Perkins and Mary McLeod Bethune together with less well known leaders such as Rose Schneiderman Maida Springer Kemp and Esther Peterson Multiple generations partnered to expand social and economic rights and despite setbacks the fight for the many persists as twenty first century activists urgently demand a more caring inclusive world Putting women at the center of US political history For the Many reveals the powerful currents of democratic equality that spurred American feminists to seek a better life for all **Half Sisters of History** Catherine

Clinton, 1994-09-09 Long relegated to the margins of historical research the history of women in the American South has rightfully gained prominence as a distinguished discipline A comprehensive and much needed tribute to southern women s history Half Sisters of History brings together the most important work in this field over the past twenty years This collection of essays by pioneering scholars surveys the roots and development of southern women s history and examines the roles of white women and women of color across the boundaries of class and social status from the founding of the nation to the present Authors including Anne Firor Scott Elizabeth Fox Genovese Jacquelyn Dowd Hall and Nell Irwin Painter among others analyze women s participation in prewar slavery their representation in popular fiction and their involvement in social movements In no way restricted to views of the plantation South other essays examine the role of women during the American Revolution the social status of Native American women the involvement of Appalachian women in labor struggles and the significance of women in the battle for civil rights Because of their indelible impact on gender relations issues of class race and sexuality figure centrally in these analyses Half Sisters of History will be important not only to women s historians but also to southern historians and women s studies scholars It will prove invaluable to anyone in search of a full understanding of the history of women the South or the nation itself Contributors Catherine Clinton Sara Evans Elizabeth Fox Genovese Jacquelyn Dowd Hall Jacqueline Jones Suzanne D Leacock Nell Irwin Painter Theda Perdue Anne Firor Scott Deborah Gray White

Rocking the Boat Brigid O'Farrell, 1996 *Rocking the Boat* is a celebration of strong committed women who helped to build the American labor movement Through the stories of eleven women from a wide range of backgrounds we experience the turmoil hardships and accomplishments of thousands of other union women activists through the period spanning the Great Depression the New Deal World War II the McCarthy era the civil rights movement and the women s movement These women tell powerful stories that highlight and detail women s many roles as workers trade unionists and family members They all faced difficulties in their personal lives overcame challenges in their unions and individually and collectively helped improve women s everyday working lives Maida Springer Kemp came from New York City s Harlem Local 22 of the International Ladies Garment Workers Union to represent the AFL CIO in Africa In Chicago Alice Peurala fought for her job in the steel mill and her place in the steel workers union Jessie De La Cruz organized farm workers in California Esther Peterson organizer educator and lobbyist became an advisor to four U S presidents In chapters based on oral history interviews these women and others provide new perspectives and practical advice for today s working women They share an idealistic and practical commitment to the labor movement As Dorothy Haener of the United Auto Workers and a founding member of the National Organization of Women said You have to take a look at how to rock the boat You don t want to spill yourself out if you can avoid it but sometimes you have to rock the boat From these women we too learn how to rock the boat
