Portier, 2017-11-17 Born in Boston of immigrant parents Thomas A Judge CM 1868 1933 preached up and down the east coast on the Vincentian mission band between 1903 and 1915 Disturbed by the leakage of the immigrant poor from the church he enlisted and organized lay women he met on the missions to work for the preservation of the faith his watchword His work grew apace with and in some ways anticipated the growing body of papal teaching on the lay apostolate When he became superior of the godforsaken Vincentian Alabama mission in 1915 he invited the lay apostles to come south to help This is the layman's hour he wrote in 1919 By then however many of his lay apostles had evolved in the direction of vowed communal life This pioneer of the lay apostle founded two religious communities one of women and one of men With the indispensable help of his co founder Mother Boniface Keasey he spent the last decade of his life trying to gain canonical approval for these groups organizing them and helping them learn to train the work a day man and woman into an apostle to cause each to be alert to the interests of the Church to be the Church The roaring twenties saw the work expanded beyond the Alabama missions as far as Puerto Rico which Judge viewed as a gateway to Latin America The Great Depression ended this expansive mood and time and put agonizing pressure on Judge his disciples and their work In 1932 the year before Judge's death the apostolic delegate upon being appraised of Judge's financial straits described his work as the only organized movement of its kind in the Church today that so completely meets the wishes of the Holy Father with reference to the Lay Apostolate Religion, Religious Ethics and Nursing Marsha Fowler, Sheryl Reimer Kirkham, Rick Sawatzky, Elizabeth Johnston Taylor, 2011-11-14 This is a book that challenges you to step back and broaden your thinking about religion in

general and religion in nursing Nurses at all levels will appreciate the applications to nursing practice theory and research

Journal of Christian Nursing The Reverend Dr Marsha Fowler and her colleagues have written a landmark book that will change and enlighten the discourse on religion and spirituality in nursing The authors address the awkward silence on religion in nursing theory and education and with insightful scholarship move beyond the current level of knowledge and limited discourse on religion in nursing theory education and practice This book is path breaking in that it gives many new ways to think about the relationships between ethics health caregiving moral imagination religion and spirituality From the Foreword by Patricia Benner PhD RN FAAN Professor Emerita of Nursing Department of Social and Behavioral Sciences and Nursing University of California San Francisco The past 25 years have witnessed an escalating discussion on the role of spirituality within health care This scholarly volume is rooted in the belief that not only is religion integral to nursing care but the religious beliefs of both nurse and patient can significantly influence care and its outcome It offers an in depth analysis of the ways in which religion influences the discipline of nursing its practitioners and treatment outcomes Through the contributions of an international cadre of nurse scholars representing the world s major religious traditions the book explores how theories history and theologies shape the discipline bioethical decision making and the perspective of the nurse or patient who embraces a particular religion It examines the commonalities between the values and thinking of nursing and religion and identifies basic domains in which additional research is necessary The authors believe that ultimately scholarly dialogue on the relationship between religion and nursing will foster and enhance nursing practice that is ethical and respectful of personal values

Key Features Offers in depth analysis of how religion influences the discipline of nursing its practitioners and treatment outcomes Uses critical theories to explore the intersections of religion ethics culture health gender power and health policy Includes an overview of all major world religions Focuses on the implications of religion for nursing practice rather than nursing interventions Designed for graduate and upper level undergraduate students nurse academicians and clinicians

Diversity and the Common Good Meg Wilkes Karraker, 2013-07-11 *Diversity and the Common Good* Civil Society Religion and Catholic Sisters in a Small City examines how Catholic Sisters and their congregations have been critical nodes in religious and civil networks investing their social capital to address one of the most pressing issues facing American communities today diversity Bluffton situated in America s heartland is revealed as a community that has confronted racism of the ugliest kind and chosen to work toward a good society for its citizens driven by the concerted efforts of its Catholic Sisters and highly committed civic and religious actors Blending quantitative and qualitative data collected over three years and scholarship on civil society Meg Wilkes Karraker s narrative style engages scholars from sociology political science public administration and religious but also speaks to community leaders and citizens seeking to understand how they can act on behalf of the common good in their own communities Notably *Diversity and the Common Good* tells the story of a community that works Given recent criticisms of American Sisters by the Vatican this story of the great good done
