Sisters Of Justice:

Sisters of Justice Karen Jamison, 2004-06-29 Almost everyday on the news there is a report of a child getting abducted or abused With so many offenders of these crimes there doesn't seem to be a harsh enough form of punishment that sends out a message to the next person who commits these crimes Sisters of Justice is about a group of highly skilled and educated women who are fed up with the justice system and take matters into their own hands and serve true justice They help when there is nowhere else to turn They bring justice when the court system fails They protect those who can't protect themselves Caleah is a successful business woman by day and an enforcer for the Sisters of Justice by night Her life has been good and uncomplicated That's until she breaks her own rule and gets involved in a relationship She tries her best to keep what she does with the Sisters of Justice a secret from the man in her life But that gets hard because he's one of the best homicide detectives for the city of New Orleans Things become intense when the Sisters of Justice becomes the city's most wanted and the cops are out to get them

Home Cailean Steed, 2023-01-19 Such a good read Val McDermid Absorbing moving and alarmingly believable Carole Johnstone author of *Mirrorland* **Home** is a white hot gem of a book brilliantly researched so gripping and propulsive you'll want to consume it in one go Kirstin Innes author of *Scabby Queen* Someone has broken into Zoe's flat A man she thought she'd never have to see again They call him the Hand of God He knows about her job in the cafe her life in Dublin her ex girlfriend even the knife she's hidden under the mattress She thought she'd left him far behind along with the cult of the Children and their isolated compound **Home** but now he's found her and Zoe realises she must go back with him if she's to rescue the sister who helped her escape originally But returning to **Home** means going back to the enforced worship and strict gender roles Zoe has long since moved beyond Back to the abuse and indoctrination she's fought desperately to overcome Going back will make her question everything she believed about

her past and risk her hard won freedom Can she break free a second time An absolute triumph I found myself holding my breath hoping for the best for her while expecting the worst Highly recommended Laura Shepperson author of forthcoming debut THE HEROINES

Race, Justice and American Intellectual Traditions Stuart Rosenbaum, 2018-02-17 Some American intellectual traditions although pristine in appearance are racist at their core This book reveals the racism inherent in those Platonist and Enlightenment moral traditions that motivate much contemporary rhetoric Part One contains five chapters of substantial critique while Part Two contains four chapters of constructive suggestion explaining how indigenous American traditions of thought about morality avoid the racism of conventional Western moral thought that dominates political rhetoric This book because of its focus thesis and brevity will be useful in a number of academic contexts including political science American studies philosophy sociology and also to the larger educated public

Two Sisters for Social Justice Lela B.
