David Boje

Situating Feminism Vol 2 From Thought To Action:

Situating Feminism Sondra Farganis, 1994-06-07 Feminist theory has undergone continuous evolution since its recognized establishment in 1963. Sondra Farganis's insightful volume revisits feminist philosophy's turbulent beginnings and explores the myriad political and social factors influencing its development during the past three decades. The author also considers the interaction between feminism and the greater women's movement, discussing not only the commonalities but the differences among women of various cultures and experiences. Finally, she recounts four of the most controversial women-centered court cases of recent years, identifying elements of feminist theory and how they affected or were affected by the social and political context in which they occurred. Inspiring new directions in critical thought and theoretical advancement, *Situating Feminism* will prove an essential resource for students and professionals in the areas of women's and culture studies, political science, social work, communication, and psychology. Sondra Farganis does not shy away from rigorous arguments or moral issues dealing directly with the relationship of postmodernism and feminism and the concerns that the former undermines the latter. She capably moves among writers like Berger and Luckman, Freire, Habermas, and Butler. Ultimately, the strength of this book is its ability to present a wide range of feminist political and social theories in a coherent fashion while demonstrating its application to actual real-life situations.

Affilia: Sondra Farganis has written a concise study on the situation of feminist thought in relation to contemporary social controversies. She analyzes the Nussbaum domestic violence and victimization, Baby M motherhood and surrogacy, Sears employment and affirmative action, and Hill-Thomas race and sexual harassment cases in a broad theoretical context. Farganis outlines major themes and conflicts within feminist thought, illustrating how these played out in the resolution of the cases.

Choice [Inclusion as Social Justice](#), 2020-07-13

Inclusion as Social Justice: Theory and Practice in African Higher Education discusses the extent to which education enables equitable social access for diverse student populations in the context of historical sidelining of indigenous knowledge systems and epistemic injustice of colonial epistemologies in Africa. The goal is to theoretically unpack the social differentials and micro inequities that practically disempower diverse students in African higher education. To this end, the book features aspects of diversity such as gender, rurality, refugee status, and disability in general, with hearing and visual impairment as prime illustrations. It is argued that despite the ethically defensible and socially just policy and structural interventions for transforming higher education meant to redress the legacy of colonial injustices, urban universities present epistemological equity challenges for students from rural communities. Similarly, the opaque fate of students displaced from their home countries and currently studying in universities in host countries is analyzed. The book illustrates the access case for gender and disability in higher education using empirical studies and examples from Tanzania, Kenya, Ethiopia, Zimbabwe, and South Africa. Challenges facing students in higher education in these countries and the strategies the students devise to succeed in the institutions are analyzed.

Postmodern Management and Organization Theory David Boje, 1996 This thought

provoking critique of postmodern theory provides an overview of issues as they relate to management and organization theory and its history and assembles a variety of important works on postmodern philosophy including feminist and cultural postmodern philosophies Addressing the future of the postmodern influence on management and organization theory and method the book also establishes an agenda for future research

Feminist Reconstructions in Psychology Mary Gergen, 2000-10-03 Feminist Reconstructions in Psychology introduces a distinctive new mode of doing psychology This psychology is based on an increasingly popular range of ideas called social constructionism Within the book new forms of theory and methods of inquiry relating social constructionism to feminist topics are introduced Each chapter highlights different topics of special concern within gender studies especially the psychology of women The first chapter outlines the purposes of the book and positions social constructionism in relation to the more traditional feminist psychologies empiricist and feminist standpoint Given the trend toward social constructionism the author thinks the broad audience of people doing gender work will be interested in becoming familiar with this approach to the field The second and third chapters are focused on narrative methods as a means for studying gender differences in popular autobiographies The discussions center on differences in stories of achievement family love and embodiment Quotations from well known personalities such as Donald Trump and Martina Navratilova enrich the text The fourth fifth and sixth chapters involve issues of menopause with a focus group methodology a historical look at the male gaze as it is poised on the Naked Maja painting by Goya and how relationships function within imaginal conversations The two final chapters in the book are exemplars of a recent innovation in the field called performative psychology One monologue is about aging in contemporary society and the other is a feminist critique of aspects of postmodernism itself The book draws from the central tenets of postmodern inquiry as played out in the positive framework of social constructionism Emphasized are reflexivity the social basis of reality making the breakdown of traditional narrative forms the loss of objectivity as a scientific standard and the possibilities for new forms of doing research In this respect the book is unique and serves to provide a point of view on an intriguing movement that is gaining momentum across the social sciences and humanities It is hoped that this book might serve as a catalyst for further innovative work in psychology This text encourages such moves by its own irreverence for traditions and its overt efforts to break down resistances to creativity in the field

The Ultimate Harry Potter and Philosophy William Irwin, Gregory Bassham, 2010-09-14 A philosophical exploration of the entire seven book Harry Potter series Harry Potter has been heralded as one of the most popular book series of all time and the philosophical nature of Harry Hermione and Ron's quest to rid the world of its ultimate evil is one of the many things that make this series special The Ultimate Harry Potter and Philosophy covers all seven titles in J K Rowling's groundbreaking series and takes fans back to Godric's Hollow to discuss life after death to consider what moral reasoning drove Harry to choose death and to debate whether Sirius Black is a man or a dog With publication timed to coincide with the release of the movie Harry Potter and the Deathly Hallows Part 1 this book will

be the definitive guide for all fans looking to appreciate the series on a deeper level Covers a range of intriguing topics such as the redemption of Severus Snape the power of love and destiny in the wizarding world Gives you a new perspective on Harry Potter characters plot lines and themes Makes a perfect companion to the Harry Potter books and movies Packed with interesting ideas and insights The Ultimate Harry Potter and Philosophy is an ideal companion for anyone interested in unraveling the subtext and exploring the greater issues at work in the story

Women and Leadership Jean Lau Chin, Bernice Lott, Joy Rice, Janis Sanchez-Hucles, 2008-04-15 Over the past thirty years the number of women assuming leadership roles has grown dramatically This original and important book identifies the challenges faced by women in positions of leadership and discusses the intersection between theories of leadership and feminism Examines models of feminist leadership feminist influences on leadership styles and agendas and the diversity of theoretical and ethnic perspectives of feminist leaders Addresses how diverse women lead how feminist principles contribute to leadership the influence of ethnic groups and the barriers that women face as leaders Transforms existing models of leadership by incorporating gender issues Looks to the future of feminist leadership and identifies what must be done to train and mentor the next generation of feminist leaders

Situating Social Theory May, Tim, Powell, Jason, 2008-08-01 This edition examines the implications of recent developments challenges and disputes that have become important to debates in social theory including new commentaries on key authors It also explores the extent to which how we situate social theory may need re-examining

Magical Feminism in the Americas: Resisting Female Marginalisation and Oppression through Magic Abu Shahid Abdullah, 2025-01-07 The book aims to show the way magical feminism resists female marginalisation and oppression in the Americas Dealing with multiple victimisation of women in the Americas who have suffered not only because of their gender but also their race ethnicity political ideology social status financial insecurity and such magical feminism provides a voice to them so that they can speak about their marginalisation and victimisation In other words by using magical feminism these female authors attempt to give a voice to the oppressed women enabling them to resist and challenge the traditional female role and to raise their voices against various social and political issues The subversive and transgressive power of magical feminism enables the oppressed women to break patriarchal constraints and to reverse the traditional power structure By creating an imaginary realm through traditions local beliefs and rituals myth magic and the spirits of the dead ancestors as guides magical feminist technique functions as a survival strategy for women in traumatic and oppressive situations and provides them consolation The project includes a total of eight novels from African American Gloria Naylor's *Mama Day* Latin American Isabel Allende's *The House of the Spirits* Native American Louise Erdrich's *Tracks* Chicana Ana Castillo's *So Far from God* North American Gail Anderson Dargatz's *The Cure for Death by Lightning* Central American Gioconda Belli's *The Inhabited Woman* Hawaiian American Kiana Davenport's *Shark Dialogues* and Cuban American Cristina Garc'a's *Dreaming in Cuban* background

Black British Feminism Heidi Safia Mirza, 1997 *Black British Feminism* A

New Feminist Stories of Child Sexual Abuse Paula Reavey, Sam Warner, 2003 Child sexual abuse is a multifaceted event interpreted in many different ways in many different contexts In *New Feminist Stories of Child Sexual Abuse* contributors try to untangle some of the complex ways in which stories of child sexual abuse are translated through and into personal professional and social politics The first section of the book explores the cultural and political landscape of child sexual abuse in Western and non Western contexts It examines the ways in which radical aspects of feminism can be undermined in Western cultures and how Westernised ideologies of childhood sex and gender have been used to structure discussions about child sexual abuse across the world The second section traces the effects of these wider cultural and political narratives through the various contexts in which child sexual abuse is theorised and around which interventions in the lives of women are structured It provides insights into how traditional approaches to understanding harm can be challenged and reworked in practice using alternative therapeutic models based on feminist post structuralist agendas Reworking earlier feminist analyses *New Feminist Stories of Child Sexual Abuse* asks pertinent questions about how child sexual abuse is produced rather than merely represented in the ways we speak about it
