Etter, 2019-07-30
This title was first published in 2001 The last century has witnessed the ascendancy of the avant garde in music From Schoenberg to Boulez to Stockhausen the avant garde has defined the modern conception of musical creativity Contemporary serious music demands the new in terms of style form and ways of listening and hearing Implicit in this approach is the rejection of the old from the baroque to the music of the later 19th century symphonists Paradoxically however it is this old repertoire which continues to dominate concert programmes An exploration of this dichotomy lies at the heart of this book Drawing on a wealth of European philosophical and musical texts the author examines the origins of the avant garde and its relation to modernity in tandem with the history of the tonal tradition **Selected Letters of Robert Penn Warren** Robert Penn Warren, 2008-05-01 Volume four of the Selected Letters of Robert Penn Warren covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed *Brother to Dragons* *Segregation* *The Inner Conflict in the South* and *Who Speaks for the Negro* As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises* Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life

including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children As a chronicle of Warren s thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable Unlike many writers Warren rarely drafted his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary His letters offer a candid and personal glimpse of Warren s relationships as well as his personal views on literature politics and social trends Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren s editors reviewers collaborators and other friends Providing an unusually vivid and personal account of Warren s rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history
