Sky Over El Nido:

Sky Over El Nido C. M. Mayo, 1999-04-01 Mother rescued the three zebras that escaped from the London zoo so begins the first story in this whirlwind collection by C M Mayo Though Mayo s characters ricochet around the globe in search of diversion money enlightenment cachet and escape she sets many of the stories in Sky Over El Nido in Mexico This is not the gringo s Mexico of margaritas mariachis and inscrutable house servants but a fin de si cle world where a Mexican boy who guards tourists cars for small change wears a T shirt that says Six Flags Over Georgia Mayo s strangely beautiful yet disturbing stories reveal characters who envision the solutions to their lives in a world where nothing is stable nothing can be nailed down and we are all suddenly dizzyingly faced with sharing the same pitiless sky The Pale of Settlement Margot Singer, 2010-04-15 In settings from Jerusalem to Manhattan from the archaeological ruins of the Galilee to Kathmandu The Pale of Settlement gives us characters who struggle to piece together the history and myths of their family s past This collection of linked short stories takes its title from the name of the western border region of the Russian empire within which Jews were required to live during the late eighteenth and nineteenth centuries Susan the stories main character is a woman trapped in her own border region between youth and adulthood familial roots in the Middle East and a typical American existence the pull of Jewish tradition and the independence of a secular life In Helicopter Days Susan discovers that the Israeli cousin she grew up with has joined a mysterious cult Lila s Story braids Susan s memories of her grandmother a German Jew arriving in Palestine to escape the Holocaust with the story of her own affair with a married man and an invented narrative of her grandmother s life In Borderland while trekking in Nepal Susan meets an Israeli soldier who carries with him the terrible burden of his experience as a border guard in the Gaza Strip And in the haunting title story bedtime tales are set against acts of terrorism and memories of a love beyond reach The stories of The Pale of Settlement explore the borderland between Israelis and American Jews emigrants and expatriates and vanished homelands and the dangerous world in which we live today **Hurricanes and Carnivals** Lee Gutkind, 2007 In Mexico writes Ilan Stavans in the introduction to this provocative new collection on Mexican culture and politics the essay is embraced as passionately as a sport While the American essay may be personal and confessional or erudite and academic it is presumed to be truthful By contrast the Mexican essay pushes the boundaries between fact and fiction as writers seek to make their opinions heard in literary journals in newspapers and even on cereal boxes What is real and what isn t in a Mexican essay only God knows concludes Stavans In Hurricanes and Carnivals Lee Gutkind a pioneer in the teaching of creative nonfiction brings together fifteen essays by Mexican Mexican American and Latin American writers that push the boundaries of style and form showing that navigating truth is anything but clear cut Although creative nonfiction is widely thought to be an American art form this collection proves otherwise By blending fact and fiction story and fantasy history and mythology these writers and others push the bounds of the essay to present a vision of Mexico rarely seen from this side of the border Addressing topics that

include immigration politics ecology violence family and sexuality they take literary license on a whirlwind adventure C M Mayo shows us Mexico City as seen through the eyes of her pug Picadou Juan Villoro examines modern Mexico through the lens of demography Homero Aridjis uses the plight of nesting sea turtles to document a slowly changing Mexican attitude toward natural resources and Sam Quinones documents the decline of beauty queen addiction in Mazatlán and tells us about the flower festivals where according to lore only two things matter hurricanes and carnivals For readers interested in a literary view of contemporary Mexico as well as students of the creative nonfiction genre this volume is essential

Spinning Away from the Center Ethan Laughman, 2019-09-01 These stories offer layered perceptive takes on what home means to us The people we meet in these stories are often traveling to and from home thinking about where they have come from where they are headed and how that journey will impact their futures Although the stories approach homecoming and homesickness through varied moods and styles they all come around to confronting a shared need a place to call home

The Virginia Quarterly Review, 1996 The Green Tiger Barbara Goldoftas, 2006 The Philippines was once famous for the beauty of its reef ringed islands white beaches and lush forests In less than a half century its forests were felled its oceans over fished and its coral reefs destroyed The rapid harvest of once abundant resources has brought droughts deadly flash floods and the collapse of vital fisheries As the rural economy weakened and millions migrated to cities they overwhelmed the urban infrastructure Today the Philippines stands as an example of the profound and sweeping consequences of ecological decline In The Green Tiger Barbara Goldoftas documents this tragic trajectory But hers is not a story of hopelessness and inevitable defeat In lyrical unflinching prose she traces the struggle for conservation in the Philippines from isolated villages to large cities and in the process illustrates the surprising ways in which conservation and economic growth can effectively co exist

Fodor's Mexico 2009 Fodor's, 2008 Provides information on Mexican history and culture and shares advice on sightseeing shopping and entertainment *Blood of Mages* A.J. Martinez, 2017-12-24 Akielas has lost his magic and is now on a journey to recover it Caim the demigod was captured by the Specters The Specters need one more Cosmo Jewel to be at full power and use the energy of the eclipse to cast their spell upon the world Hope seems lost and the tri eclipse is near However with all the chaos that has happened there is still light A new mage is protecting the last remnant of the dragon gods The Effeelions who live in the sky lend Akielas their forces A new weapon is discovered to defeat his enemy Time is running out and Akielas is quickly running out of options The fairy king foretells of the world's doom An old friend returns from beyond Necrovania to give him a helping hand The final battle is here and the Specters must be defeated before the tri eclipse strips the world of all its magic *The Theory of Light and Matter* Andrew Porter, 2010-09-20 These ten short stories explore loss and sacrifice in American suburbia In idyllic suburbs across the country from Philadelphia to San Francisco narrators struggle to find meaning or value in their lives because of or in spite of something that has happened in their pasts In *Hole* a young man reconstructs the memory of his childhood friend's deadly

fall In The Theory of Light and Matter a woman second guesses her choice between a soul mate and a comfortable one Memories erode as Porter s characters struggle to determine what has happened to their loved ones and whether they are responsible Children and teenagers carry heavy burdens in these stories in River Dog the narrator cannot fully remember a drunken party where he suspects his older brother assaulted a classmate in Azul a childless couple craving the affection of an exchange student fails to set the boundaries that would keep him safe and in Departure a suburban teenage boy fascinated with the Amish makes a futile attempt to date a girl he can never be close to Memory often replaces absence in these stories as characters reconstruct the events of their pasts in an attempt to understand what they have chosen to keep These struggles lead to an array of secretive and escapist behavior as the characters united by middle class social pressures try to maintain a sense of order in their lives Drawing on the tradition of John Cheever these stories recall and revisit the landscape of American suburbia through the lens of a new generation The Last Prince of the Mexican Empire C. M.

Mayo,2010-05-01 The Last Prince of the Mexican Empire is a sweeping historical novel of Mexico during the short tragic at times surreal reign of Emperor Maximilian and his court Even as the American Civil War raged north of the border a clique of Mexican conservative exiles and clergy convinced Louis Napoleon to invade Mexico and install the Archduke of Austria Maximilian von Habsburg as Emperor A year later the childless Maximilian took custody of the two year old half American Prince Agust n de Iturbide y Green making the toddler the Heir Presumptive Maximilian s reluctance to return the child to his distraught parents even as his empire began to fall and the Empress Carlota descended into madness ignited an international scandal This lush grand read is based on the true story and illuminates both the cultural roots of Mexico and the political development of the Americas But it is made all the more captivating by the depth of Mayo s writing and her understanding of the pressures and influences on these all too human players
