The Art & Science of Moviemaking (Parts I & II) Jonathan D. Krane, 2012-09-07 Basketball's Game Changers Brendan Prunty, 2017-02-01 A brand new fast paced fully illustrated history of basketball through its flashpoints innovations and innovators The third book in the Lyons Press Game Changers sports series answers the questions What were the 50 most revolutionary personalities rules strategies rivalries controversies organizational changes radio and television advancements and more in the history of basketball college and the pros And how exactly did they forever change the game Basketball s Game Changers offers fascinating detailed explanations along with a ranking system from 1 to 50 that is sure to inspire debate among professional and college basketball aficionados Ranging from the game s beginnings to today and tackling on the court and off the court developments Basketball s Game Changers offers a history of hoops through its turning points and innovations Sportswriter Brendan Prunty breaks down the Bird Magic rivalry the 3 point shot the creation of the NCAA tournament Air Jordans Allen Iverson the WNBA and even the video game NBA Jam and more Full color and including photos pull outs and sidebars throughout books within the Game Changers series are important and entertaining additions to every sports fan s library **Genetic Reconstruction of the Past** Henry A. Erlich, 2024 Genetic Reconstruction of the Past describes how DNA analysis can be used to make inferences not only in criminal cases but also about the ancient past Part One focuses on forensic genetics and crime scenes It gives an in depth account of how we developed PCR and used it on DNA evidence for the first time in a US court case in 1986 the first post conviction exoneration and the first identification of a missing person Part Two discusses how the same DNA technology and data can also illuminate the ancient past the history of human origins and migrations Shelterball D.G. Mago, 2008-11-24 Dante Grabina was the latest great point guard coming out of New York City and the world seemingly was at his feet Not unlike many before him his dream was soon transformed when he saw nothing but dollar signs he declined to go to college and instead chose to go straight to the NBA Nicknamed Blur he was physically and mentally unprepared for the NBA and as a result he did not last When he tries to cash in on some easy money with an old friend from the neighborhood he is arrested and spends five long years in jail Shelterball picks up years later when unhappy with his tedious life Blur attempts to turn it around At the age of 35 he applies and is accepted to college While he is there he pushes himself to be a better student and citizen Focusing on educating himself and gaining a broader worldview he is approached by the basketball coach who remembers him from years ago and convinces him to come try out for the team With basketball back in his life he gradually transforms from the selfish boy of his youth to the selfless empathetic man that he always saw and admired in his father Moreover once his championship pedigree on the court transitions to the real world he begins a journey where loyalty honor friendship and a man s word become more valuable than money or fame Shelterball is about Blur s struggle with his family his friends a woman that he becomes involved with who is in an abusive relationship and most importantly himself *Focus On: 100 Most Popular 2010s South Korean*

Television Series Wikipedia contributors, *Anime and Manga* , **The Ultimate Collection of Pro Basketball Records** Tyler Omoth,2013 This book contains a collection of top basketball records and statistics **Mark Rosen's Book of Minnesota Sports Lists** Mark Rosen,Jim Bruton,2014-03-15 A compilation of rankings by broadcaster Mark Rosen that list bests worsts and more from decades of Minnesota sports *Animal Ethics* Bob Fischer,2021-05-05 There are many introductions to the animal ethics literature There aren't many introductions to the practice of doing animal ethics Bob Fischer's *Animal Ethics A Contemporary Introduction* fills that gap offering an accessible model of how animal ethics can be done today The book takes up classic issues such as the ethics of eating meat and experimenting on animals but tackles them in an empirically informed and nuanced way It also covers a range of relatively neglected issues in animal ethics such as the possibility of insect sentience and the ethics of dealing with pests Finally the book doesn't assess every current practice using standard ethical theories but tries to evaluate some of them using the moral frameworks endorsed by those involved So for instance there is a chapter on the way that animal care and use committees try to justify some of the educational uses of animals and the chapter on zoos considers the way that international zoological societies justify compromising animal welfare The book wraps up with a discussion of the future of animal ethics Each chapter opens with a helpful initial overview of the chapter and ends with a list of suggested readings to help students go further on their own **Key Features** Covers animal ethics from an empirically informed perspective bringing philosophy into conversation with key issues in animal science conservation biology economics ethology and legal studies among other fields Provides ample coverage of the most salient current topics including for example Debates about which animals are sentient The suffering of wild animals Research ethics The boundaries of activism Avoids suggesting that animal ethics is simply the practice of applying the right general theory to a problem instead allowing readers to first work out the specific costs and benefits of making ethical decisions Impresses upon the reader the need for her to work out for herself the best way forward with difficult ethical issues suggesting that progress can indeed be made Includes summaries and recommended readings at the end of each chapter **Sports on Television** Dennis Deninger,2012-11-12 In *Sports on Television* Dennis Deninger provides an all encompassing view of the sports television industry He progresses from the need for this book to the history of the industry and discipline to the pioneering events of sports broadcasting and sports television to a nuts and bolts behind the scenes look at a sports television production All the while he examines the impact that sports and the mass media have had and are continuing to have on one another and on society
