Slavery At The Home Of George Washington:

Slavery at the Home of George Washington Philip J. Schwarz, 2009 George Washington inherited his first slave at the age of eleven and he was the only founding father to free his slaves in his will This highly readable selection of articles focuses on Washington's changing attitudes toward the institution of slavery and his everyday relationships with the slaves who shared his Mount Vernon estate Amazon.com

Slavery at the Home of George Washington Philip J. Schwarz, 1997 **Slavery at the Home of George Washington** Philip J. Schwarz, 2001 George Washington inherited his first slave at the age of eleven and he was the only founding father to free his slaves in his will This highly readable selection of articles focuses on Washington's changing attitudes toward the institution of slavery and his everyday relationships with the slaves who shared his Mount Vernon estate Along with his insightful introduction editor Philip J Schwarz has included James C Rees's essay Looking Back Moving Forward The Changing Interpretation of Slave Life on the Mount Vernon Estate Dennis J Pogue's essay Slave Lifeways at Mount Vernon An Archaeological Perspective and Lorena S Walsh's essay Slavery and Agriculture at Mount Vernon as well as essays by Jean B Lee Mary V Thompson and Edna Greene Medford

Oney Judge: Escape from Slavery and the President's House Duchess Harris, Lindsay Wyskowski, 2018-12-15 President George Washington and his wife enslaved more than 150 people in the mid 1700s In 1796 one of their slaves escaped Her name was Oney Ona Judge Oney Judge Escape from Slavery and the President's House explores her story and her legacy Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO

"The Only Unavoidable Subject of Regret" Mary V. Thompson, 2019 American historians began producing in depth studies of slavery and slave life shortly after World War II but it was not until the early 1980s that the country's museums took the first tentative steps to interpret those same controversial topics Perhaps because of the tremendous amount of primary material related to George Washington almost no one looked into the lives of Mount Vernon's enslaved population Incorporating the results of detailed digging of both the archaeological and archival varieties the number of chapters grew as further questions arose While a few scholars outside Mount Vernon turned their attention to Washington's changing ideas about slavery they largely overlooked the daily lives of those who were enslaved on the estate a subject about which visitors expressed a desire to know more The resulting book makes use of a wide range of sources including letters financial ledgers work reports travel diaries kept by visitors to Mount Vernon the reminiscences of family members former slaves and neighbors reports by archaeologists and surviving artifacts to flesh out the lives of a people who left few written records but made up 90 percent of the estate's population The book begins with a look at George and Martha Washington as slaveowners before turning to various facets of slave life ranging from work to family life housing foodways private enterprise and resistance Along the way readers will see a relationship between Washington's military career and his style of plantation management learn of the many ways slaves rebelled against their condition and get to know many of the enslaved people who made Mount Vernon their home

Slavery at Mount Vernon Janey Levy, 2016-12-15 Mount Vernon George Washington's residence holds a special place in US history and in the hearts of many Americans But its history of slavery has remained largely hidden until recently That's because it's difficult to accept the contradiction of a Founding Father who fought for liberty but engaged in the practice of slavery This thought provoking volume uses the discoveries of archaeologists as well as the writings of Washington himself to shed light on the lives of the slaves who dwelled on this land Readers will especially appreciate the illustrative photographs and enlightening sidebars and fact boxes

Master George's People Marfe Ferguson Delano, 2013 As the first President of the United States of America and the Commander in Chief who led a rebel army to victory in the Revolutionary War George Washington was a legendary leader of men He had high expectations of his soldiers employees and associates At his Virginia plantation Mount Vernon his expectations of his workers were no different I expect such labor as they ought to render he wrote Except there was a big difference The workers who kept Mount Vernon operating were enslaved And although Washington called them my people by law they were his property But the people of Mount Vernon were so much more and they each have compelling stories to tell These are fascinating portraits of cooks overseers valets farm hands and more essential people nearly lost in the shadows of the past interwoven with an extraordinary examination of the conscience of the Father of Our Country

George Washington and Slavery Fritz Hirschfeld, 1997 Because General Washington the universally acknowledged hero of the Revolutionary War in the postwar period uniquely combined the moral authority personal prestige and political power to influence significantly the course and the outcome of the slavery debate his opinions on the subject of slaves and slavery are of crucial importance to understanding how racism succeeded in becoming an integral and official part of the national fabric during its formative stages

An Imperfect God Henry Wiencek, 2003-11-15 When George Washington wrote his will he made the startling decision to set his slaves free earlier he had said that holding slaves was his only unavoidable subject of regret In this groundbreaking new biography based on private papers court records and the voluminous Washington archives National Book Critics Circle winning historian Henry Wiencek explores the founding father's engagement with slavery at every stage of his life as a planter soldier politician president and statesman

Slavery and the Enlightenment in the British Atlantic, 1750-1807 Justin Roberts, 2013-07-08 Clock work time quantification amelioration and the enlightenment Sunup to sundown agricultural diversity and seasonal patterns of work Lockstep and line gang work and the division of labor Negotiating sickness health work and seasonality Labor and industry skilled and unskilled work Working lives occupations and families in the slave community
