Ron Hubbard, 1993-10-15 Jan Palmer wakes from a deep sleep into a living nightmare that seems to be a parallel universe of evil Jinn deadly secrets and beautiful but dangerous dancing girls While trying to figure out the meaning of his dreams he finds humankind's fate resting in his hands If you have ever suffered from sleepless nights or insomnia this is a tale that might just open your eyes Slaves of Sleep is an L Ron Hubbard tale of parallel universes one of the first in modern fantasy writing Cursed with eternal wakefulness by an evil Jinn never ending nightmares and imprisoned for a crime he didn't commit Jan Palmer is living hell in two worlds or is this just lucid dreaming On Earth he is a prisoner of his own insecurities and in the land of the Jinn he is Tiger the swashbuckling rogue but in both he faces death at every turn Unless he can discover the meaning of his dreams before it's too late I stayed up all night finishing it The yarn scintillated Ray Bradbury

White Slaves, African Masters Paul Baepler, 1999-05-15 Some of the most popular stories in nineteenth century America were sensational tales of whites captured and enslaved in North Africa White Slaves African Masters for the first time gathers together a selection of these Barbary captivity narratives which significantly influenced early American attitudes toward race slavery and nationalism Though Barbary privateers began to seize North American colonists as early as 1625 Barbary captivity narratives did not begin to flourish until after the American Revolution During these years stories of Barbary captivity forced the U S government to pay humiliating tributes to African rulers stimulated the drive to create the U S Navy and brought on America's first post revolutionary war These tales also were used both to justify and to vilify slavery The accounts collected here range from the 1798 tale of John Foss who was ransomed by Thomas Jefferson's administration for tribute totaling a sixth of the annual federal budget to the story of Ion Perdicaris whose probably staged abduction in Tangier in 1904 prompted Theodore Roosevelt to send warships to Morocco and inspired the 1975 film The Wind and the Lion Also included is the unusual story of Robert Adams a light skinned African American who was abducted by Arabs and used by them to hunt negro slaves captured by black villagers who presumed he was white then was sold back to a group of Arabs from whom he was ransomed by a British diplomat Long out of print and never before anthologized these fascinating tales open an entirely new chapter of early American literary history and shed new light on the more familiar genres of Indian captivity narrative and American slave narrative Baepler has done American literary and cultural historians a service by collecting these long out of print Barbary captivity narratives Baepler's excellent introduction and full bibliography of primary and secondary sources greatly enhance our knowledge of this fascinating genre Library Journal

Master Narratives, Identities, and the Stories of Former Slaves Jonathan Clifton, Dorien Van De Mierop, 2016-03-31 This book is intended for researchers in the field of narrative from post graduate level onwards It analyzes the audio recordings of the narratives of former slaves from the American South which are now publically available on the Library of Congress website Voices from the days of slavery More specifically this book analyses the identity work of

these former slaves and considers how these identities are related to master narratives The novelty of this book is that through using such a temporally diverse and relatively large corpus we show how master narratives change according to both the zeitgeist of the here and now of the interview world and the historical period that is related in the there and then of the story world Moreover focusing on the active achievement of master narratives as socially situated co constructed discursive accomplishments we analyze how different inherently unstable and even contradictory versions of master narratives are enacted

[An Essay on the Development of Christian Doctrine](#) John Henry Newman, 1881 **American Slaves and African Masters** C. Sears, 2012-09-06

Whether by falling prey to Algerian corsairs or crashing onto the desert shores of Western Sahara, a handful of Americans in the first years of the Republic found themselves enslaved in a system that differed so markedly from nineteenth-century U.S. slavery that some contemporaries and modern scholars hesitate to categorize their experiences as slavery. Sears uses a comparative approach, placing African enslavement of Americans and Europeans in the context of Mediterranean and Ottoman slaveries while individually investigating the system of slavery in Algiers and Western Sahara. This work illuminates the commonalities and peculiarities of these slaveries while contributing to a growing body of literature that showcases the flexibility of slavery as an institution.

[An Essay on the Development of Christian Doctrine](#) John Henry Cardinal Newman, 1994-03-02

An Essay on the Development of Christian Doctrine reprinted from the 1878 edition is rightly regarded as one of the most seminal theological works ever to be written, states Ian Ker in his foreword to this sixth edition. It remains, Ker continues, the classic text for the theology of the development of doctrine, a branch of theology which has become especially important in the ecumenical era. John Henry Cardinal Newman begins the Essay by defining how true developments in doctrine occur. He then delivers a sweeping consideration of the growth of doctrine in the Catholic Church from the time of the Apostles to his own era. He demonstrates that the basic rule under which Christianity proceeded through the centuries is to be found in the principle of development, and he emphasizes that throughout the entire life of the Church, this principle has been in effect and safeguards the faith from any corruption.

An Essay on the Development of Christian Doctrine Saint John Henry Newman, 1906 *As Night Falls* Avner Wishnitzer, 2021-07
