**Sleepless Beauty** Joanna Korba, 2006 Perform this script about a princess who hasn't slept in four years      Sleepless Beauty E.M. Tippetts, 2018-06-25 Chloe could have had the perfect childbirth If only the baby hadn't come two weeks early If only Jason wasn't working overtime to save his new television series If only the television crew wouldn't antagonize the archaeologists working next to the set If only the archaeologists hadn't found that dead body If only the main suspect wasn't the beloved boyfriend of sweet Lizzie Warner a girl who deserves to have it all Chloe's first week of motherhood isn't going at all how she hoped so she is determined to solve the murder no matter what it takes Perhaps then the second week can be magical      The Sleepless Beauty Anna Mittower, 2023-05-01 All Philliya Wridall had to do was whip up one simple skincare potion But her customer has bigger problems at hand than unhealthy skin Philliya finds herself drawn into a tangle of sorcery as she wracks her wits to try to figure out the source of the chill winds that plague her customer If she doesn't put a stopper in it soon her customer might end up a frozen corpse with ravishingly beautiful skin But will she regret sticking her nose where something powerful may not want it She might just end up whipping up trouble for herself instead This cozy fantasy book is a pint sized short read crafted with care for a single session of reading The books in this series may be read as standalones      Sleepless Beauty Frances Minters, G. Brian Karas, 1996 In this updated rhyming retelling of the traditional fairy tale Beauty outwits the wicked witch and arranges for her own happy ending      Money Confidence Crystal Oculee, 2017-09-05 When it comes to money hope is not a strategy Toughen up take action and keep what's yours Have you like many women put off organizing your financial life You know you want independence you know you want to save and you know you want a solid retirement But if you're overwhelmed at the thought of where and how to begin you're not alone You may have been raised to defer to others in matters of money or you may feel you simply lack the understanding of how to take on financial matters Without the confidence they need it's easy for women to find themselves in a situation where the only action they feel they can take is hoping that everything will turn out all right in the end But planning for the future doesn't have to be this way Money Confidence is Crystal Oculee's authoritative and engaging reality check and call to action for women of all ages to take or regain control of their financial lives The author shows why hope is not a financial strategy and how with the tools and information she provides women can attain the independence savings and secure retirement they want The author cleverly employs metaphors from familiar fairy tales to illuminate and accentuate the book's serious message Women need to toughen up and they can and need to identify and overcome myths and mind sets that place them at a disadvantage when it comes to dealing with their money and finding and working with financial advisors Oculee shows women how to communicate be strong ask questions and reject advisors who don't take them seriously Real life scenarios of various women's experiences with money and advisors prove how women can get the confidence they need once they know what is holding them back The author presents informative down to earth explanations of common financial situations and
