Once Upon a Time There was a Little Girl Marcella Hannon Shields Ph. D.,2008-07 Once Upon a Time There Was a Little Girl shares the moving stories of seven women who as young girls experienced the early loss of their mothers through death or physical or emotional abandonment The women explore their personal traumas through their responses to seven fairy tales in which there was no nurturing maternal presence Dr Marcella Shields is a psychologist with over thirty years of experience who reveals the inspiring journeys of these women who eventually triumph over suffering and learn to rely on the bond they have formed with each other to help reclaim their passion for life By exploring seven timeless fairy tales in which the heroine finds her way through the grief of abandonment the women offer a deeper understanding of the significance of the mother daughter bond and the devastating consequences for the daughter if this bond is ruptured early The poignant life stories and dreams courageously offered by these women show how fairy tales allowed them to understand and refashion themselves and provide a source of encouragement and hope for other women who have experienced early maternal loss Fathers raising daughters without a consistent maternal presence will also find the reflections valuable *Collected Articles, 1922-1938* Hermann Beckh,2023-06-09 This newly edited collection of 72 essays provides a unique overview of Hermann Beckh s notable and largely overlooked writing career Whether in the realm of theology philosophy the arts astrology or esoterica the articles gathered here mostly previously unpublished in English are rare signposts to a Christian initiation grounded in the Rosicrucian tradition and the path of St John s Gospel Presented in chronological sequence over a 16 year period from 1922 to 1938 and supplemented with biographical notes and introductory material by Neil Franklin and Alan Stott this volume provides firm ground for a fuller appreciation of Beckh s prolific output Hermann Beckh Ph D one of Europe s few authorities on Tibetan texts became a founding member of The Christian Community and an inspiring teacher in the Stuttgart Seminary *Collected Articles* is a powerful culmination to his *Collected Works* in English translation This body of work is a major source of contemporary spiritual research providing a vital accompaniment to the better known contributions by Friedrich Rittelmeyer Emil Bock and Rudolf Frieling all of whom not without some reverential awe expressed their admiration for their esteemed colleague the Professor *In Search of the Miraculous* Petr Dem'ianovitch Uspenskiĭ,1949 The record of Ouspensky s eight years of work as Gurdjieff s pupil [The Routledge Companion to Media and Fairy-Tale Cultures](#) Pauline Greenhill,Jill Terry Rudy,Naomi Hamer,Lauren Bosc,2018-03-28 From Cinderella to comic con to colonialism and more this companion provides readers with a comprehensive and current guide to the fantastic uncanny and wonderful worlds of the fairy tale across media and cultures It offers a clear detailed and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies media studies and cultural studies addressing among others issues of reception audience cultures ideology remediation and adaptation Examples and case studies are drawn from a wide range of pertinent disciplines and settings providing thorough accessible treatment of

popmusik *Harvest of Blossoms* Selma Meerbaum-Eisinger, 2008-09-29 A rediscovered poetry collection from a lost voice of the Holocaust Revealing an artist of remarkable talent and enduring hope this collection of poetry will join Anne Frank's diary as a touching reminder of what the world has lost by a life cut short The poems written by Selma Meerbaum Eisinger are astonishing for their beauty it is equally astonishing that they have survived at all Selma Meerbaum Eisinger was born in Czernowitz Romania now Chernivtsi Ukraine Czernowitz known for its vibrant mix of languages and ethnicities was famously described by Selma's cousin poet Paul Celan as a city where human beings and books used to live Her childhood friends speak of Selma's liveliness and irreverence her sparkling and mischievous personality her charming careless appearance and her independence Selma was passionate about ideas literature music and art As the storm of hatred gripping Europe broke in earnest Selma expressed her desires and fears in poetry Between the ages of fifteen and seventeen Selma wrote fifty two poems and five translations two from French two from Yiddish one from Romanian that are published here Selma's verse addressed the longings of a young woman in love in equal measure it confronted the incomprehensible violence engulfing Europe Selma found beauty in the fragility of chestnuts comfort in the loneliness of rain grief in rural poverty and with despairing courage faced a diminishing and terrifying future Selma grew up during a time of rising anti Semitic and nationalist sentiments When the Germans and their Romanian allies entered Czernowitz in 1941 Jews faced the brutality associated with fascism a cruelty that would have preferred that she and her entire history and culture be erased After being quarantined to a ghetto in October 1941 Jewish Romanians were deported to work camps by Romanian officials In July of 1942 Selma and her family were sent to Michailowka a labor camp in Ukraine where they worked as slaves in unspeakable conditions Remarkably some records of Selma's experience have survived because of them we know that even in the camp Selma held the beauty of language in her heart along with an aching desire to return to her home Selma's last piece of writing a letter to her dear friend Renee Abramovici Michaeli is a record of Selma's abiding courage and her bleak hope that a better world would follow Selma died of typhus on December 16 1942 her death reported in the diary of an artist who was with Selma in the labor camp She was only eighteen Selma left behind a powerful trace of her life and world in this poetry album The album's survival is a story in itself Selma gave the album to Renee to give to Selma's friend Leiser Fichman Leiser passed the album on to Abramovici Michaeli before he died when his boat to Palestine was torpedoed and sank Renee Abramovici Michaeli traveled to Israel across rivers mountains and political borders losing every piece of luggage except for the backpack that held Selma's album The album then remained with Renee for thirty years until Czernowitzers in Israel and family abroad financed a private publication Selma's work first reached a broader audience however after Paul Celan insisted that Selma's Poem be printed next to his piece in a 1968 German anthology An interested journalist after traveling to Israel

to see if he could find out more brought the poems back to Germany where the first edition was published in 1980 Now in this first English translation Selma's life and her magnificent album can reach out to a new audience that seeks a fuller picture of what was lost A rich introduction explains the historical context and the story of Selma's life That these poems exist is stunning enough that they are as touching and universal as they are is a revelation [Lies about Black People](#) Omekongo Dibinga,2023-07-15 From the Black Lives Matter movement to the health and economic disparities exacerbated during the COVID 19 pandemic Americans have been forced to reckon with our country's fraught history and present of racial bias and inequality Now that we have scratched the surface on courageous conversations about race many are wondering what is the next step towards healing and justice Lies About Black People How to Combat Racist Stereotypes and Why it Matters is designed for anyone who wants to examine their own biases and behaviors with a deeper critical lens in order to take action make change and engage positively in the fight for racial equality In this honest and welcoming book diversity and inclusion expert professor and award winning speaker Dr Omekongo Dibinga argues that we must embark on a massive undertaking to re educate ourselves on the stereotypes that have proven harmful and too often deadly to the Black community Through personal anecdotes nuanced historical inquiry and engaging analysis of modern day events and their historical context and implications this invaluable guide will break down some of the most powerful lies told about Black people Whether those lies are pernicious like the idea that most black people are criminals or seemingly innocuous like the notion that black people can't swim all of the lies and stereotypes combatted in this book are rooted in hate and continue to undermine not only Black people in America but our society as a whole Beyond combatting these harmful lies Dr Dibinga also provides readers with powerful insights on our racial vocabulary reflective hands on exercises that will allow readers to confront and change their own biases and an honest discussion about how to move beyond misplaced shame and use privilege to serve others Featuring personal surveys alongside real life interviews with those who have been affected by racial biases first hand this open and thoughtful guide will lead readers on a path to understanding action and change
