Snowball the Wonder Dog Cindy West,1986 The puppies at the dog pound fulfill another mission of finding a home for a puppy when Nabbit the dogcatcher captures a circus dog *Pound Puppies Snowball the Wonder Dog* Cindy West,

From Beginning to End Robert Fulghum,2010-12-15 FROM BEGINNING TO END Why rituals My thinking was set in motion by those who knowing I was a parish minister for many years have asked me for advice about ceremonies and celebrations They wanted words to use at graduations funerals and the welcoming of children They inquired about grace at family meals the reaffirmation of wedding vows and ways to heal wounds suffered in personal conflict People requested help with the rituals of solitude such as meditation prayer and contemplation Rituals do not always involve words occasions officials or an audience Rituals are often silent solitary and self contained The most powerful rites of passage are reflective when you look back on your life again and again paying attention to the rivers you have crossed and the gates you have opened and walked on through the thresholds you have passed over I see ritual when people sit together silently by an open fire Remembering As human beings have remembered for thousands and thousands of years FULGHUM When Angels Cry Eleanor Stevens,2007-10 I wanted to comfort Alan and Marsha to say something anything that would take away the hurt I wanted to help the family but there were no words that I could possibly say and I myself was hanging on by a thread but I knew I must be strong for the others I felt as if I were coming unraveled I kept telling myself I had to hang on Marsha certainly wasn't it was too much for her to bear Suddenly Marsha crawled back to her cot as if she were getting on her knees to pray but instead she cursed God Every foul word she could think of came from her mouth but how could she blame God it wasn't God's fault God gave those children to her it was left up to her to take care of those babies instead she stayed in a drunken stupor thinking only of her own selfish wants she abused and misused her own children How could she possibly blame God **This Phone Will Explode at the Tone** Lindsay Price,1993 **Snowball's Chance** John Reed,2012-07-31 This unauthorized companion to George Orwell's *Animal Farm* is a controversial parable about September 11th by one of fiction's most inventive and provocative writers Written in 14 days shortly after the September 11th attacks *Snowball's Chance* is an outrageous and unauthorized companion to George Orwell's *Animal Farm* in which exiled pig Snowball returns to the farm takes charge and implements a new world order of untrammelled capitalism Orwell's All animals are equal but some animals are more equal than others has morphed into the new rallying cry All animals are born equal what they become is their own affair A brilliant political satire and literary parody John Reed's *Snowball's Chance* caused an uproar on publication in 2002 denounced by Christopher Hitchens and barely dodging a lawsuit from the Orwell estate Now a decade later with America in wars on many fronts readers can judge anew the visionary truth of Reed's satirical masterpiece **The Greyhound: Breeding, Coursing, Racing, etc. (a Vintage Dog Books Breed Classic)** James Matheson,2011-03-23 The author was a well known greyhound man He was as successful with his dogs on the track as he was in the field His many

years of expert knowledge are encapsulated within this book's two hundred and sixty eight pages. Twenty seven comprehensive chapters contain Valuable Information on Origins and History of Greyhound Racing Future of the Greyhound What is a Good Greyhound Breeding Walks v Rearing at Home The Whelping Hut Management of the Brood Bitch Rearing Management of the Saplings Training Proper Racing Weight Transport and its Effect on Coursing Blood Selection of the Racing Brood Bitch Kennel Ailments and Their Treatment Weights of Growing Greyhounds Measurements of Points Rearing and Training Expenses The Show Greyhound Breeding and Rearing Champions Greyhounds as Companions Kennel Construction Etc. The contents are well illustrated with vintage photographs of famous greyhounds and Waterloo Cup winners of the time. This is a fascinating read for any Greyhound enthusiast or historian of the breed but also contains much information that is still useful and practical today. Many of the earliest dog breed books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable high quality modern editions using the original text and artwork.

Stories remind readers of the special bond between fathers and children and the unique reverence children hold for their wise old dads. Children view their fathers with awe from the day they are born. Fathers are big and strong and seem to know everything except when their kids are teenagers then they know nothing. This book contains 101 great stories selected from Chicken Soup for the Soul's library all focusing on the wisdom of fathers. These heartwarming and often humorous stories are written by sons and daughters about their fathers and by fathers about their children.
