So Far from Home Margaret J. Wheatley, 2012-10-08 Wheatley provides encouraging maps for how to design organizations based on living systems capacity for creativity change and adaptation But in the 20 years since the first publication she s seen that in spite of our best efforts the world that s emerged is on a destructive trajectory **So Far from Home** Ann Knope & Krystyna Stachowicz Farley, 2013-10 A first hand account of a Polish family s experience during the deconstruction of Poland by Hitler and Stalin as seen through the eyes of a feisty 14 year old girl Krystyna Stachowicz Krystyna is a living witness to the unraveling of the Second Polish Republic when they were left to face alone the Nazi and Communist threat to the free world while the rest of the world looked the other way **This Fine Place So Far from Home** C.L. Dews, Carolyn Leste Law, 1995-04-19 Affecting stories of faculty and graduate students from working class on their struggles in academia **Far from Home** Joy Bounds, 2012-03-01 This story which I must tell of war and great courage and treachery is one of loss Though France may celebrate her achievements for centuries to come it is the story of how I lost my daughter Jehanne whom people here call Jeanne d Arc and the peace of my family Joan of Arc remains one of history s most puzzling figures How in the fifteenth century could a peasant girl become the head of the French army and have such success against the English occupiers Her story ends tragically aged 19 she is burnt at the stake after a sham trial Far From Home is Joan of Arc s story told by her mother Zabillet This brilliant vivid historical novel published in the 600th anniversary year of Joan of Arc s birth brings new insight into what it is like to be the mother of a hero Zabillet knows nothing of her daughter s extraordinary future as she and her husband Jacques struggle to raise their children A family of peasants they work the land for their feudal lords and a meagre return for themselves The English and French are engaged in a senseless war causing destruction to the land and traditional village life But Jehanne is fiercely independent and refuses to settle down like all the other village girls Zabillet is shocked and frightened beyond measure when Jehanne leaves home and travels to the uncrowned King of France hundreds of miles away She struggles to believe that it could be a daughter of hers who leads the French army in amazing victories against the English And when things go wrong she has to stand by helplessly as Jehanne is imprisoned by the English and sentenced to death Zabillet falls into misfortune and despair The war drags on and for a while her family falls apart But eventually Jehanne s vision of a united France is realised As an old woman Zabillet seeks justice for her daughter and restores her reputation **Far from Home** Lillian Schlissel, Byrd Gibbens, Elizabeth Hampsten, 2002-09-01 Lillian Schlissel is a professor emerita of English and American Studies at Brooklyn College CUNY She is the author of numerous books including The Western Women s Reader with Catherine Lavender and Black Frontiers A History of African American Heroes in the Old West Byrd Gibbens is a professor of English at the University of New Mexico Valencia campus and the author of This Is a Strange Country Letters of a Western Family 1880 1906 Elizabeth Hampsten is a professor of English at the University of North Dakota Grand Forks and the author of Settlers
