**Photoshop Most Wanted 2** Al Ward, Colin Smith, 2013-11-11 The follow up to their hugely popular first book Photoshop Most Wanted All new effects with even more hints and tips than before plus a CD this time around at no extra cost The best most requested effects that you've seen on the Web and elsewhere explained by two Photoshop experts Al Ward and Colin Smith In response to feedback from their popular web sites and their first book Al and Colin have teamed up again with friends of ED to answer your questions They've packed in lots of useful information not just how to create a certain effect but

other tips too like how to improve your workflow variations on effects and creative suggestions to help you express yourself further The book is divided into three main sections In the first two Al and Colin work individually to create the most wanted effects and in the third section Al and Colin combine their skills in two different design projects These projects were selected to demonstrate how designers tackle a variety of tasks when working with others the questions and issues that may arise and how the final product is achieved The focus is on tutorials and how to create effects rather than lengthy descriptions of individual tools The majority of requests that Al and Colin receive are about producing stunning images not explaining the tools so that s what they ve concentrated on We ve kept one thing in mind during the making of this book what do our readers really want

Romantic Window Style Alexandra Parsons,2005-08 New in Paper Whether they re wisps of sheer organza lean slatted blinds or full formal curtains your window treatments define your style Through lavish photographs this book shows how to make a romantic statement with your windows that will wake up an entire decorating scheme Find out how to enhance your home s architecture and use treatments to soften a room s lines add color and warmth and emphasize good proportions and improve bad ones See how elegant simplicity can be with billowy white muslin curtains or basic floral prints Choose traditional English country perhaps with swag and tail dress windows for privacy and take a close up look at everything from tiebacks to shutters Whichever you decide on your room will have an exciting new focus **PC Mag**
