So Small A Pocket:

Salvation in My Pocket Benjamin Myers, 2013-11-13 The short pieces assembled in *Salvation in My Pocket* are miniature experiments in Christian joy They are attempts at describing the difference God makes to ordinary experience and to discover glimpses of God's light in everyday life If there is any thread that holds these haphazard reflections together it is just the conviction that beneath the surface of things there lurks an invitation gentle and alluring that even in sadness and misfortune there is always rising up as if from hidden wells the promise of peace and that the final word spoken over this world and over each human life will be a word of joy *Light*, 1925 *The Little papers, and the M.P.S. Titanic: Ship of Lost Illusions Kevin Brown, 2025-05-30 A fresh exploration of the Titanic disaster reveals how class gender and racial prejudices shaped contemporary responses When it set sail on its ill fated maiden voyage RMS Titanic was a marvel of modern technology and the latest in luxury providing a gilded setting and false sense of security for its passengers to act out their imagined ideal lives in a reflection of pre First World War society When disaster struck in the form of an iceberg four days into its maiden voyage that society was frozen in a moment of time revealing class gender and racial discrimination that pervaded contemporary social attitudes Kevin Brown takes a fresh approach in exploring the social attitudes to class manliness heroism and cowardice social redemption the proper role of women and the social religious and racial prejudices revealed by the sinking He re evaluates the code of women and children first revealing how attitudes glorifying manliness influenced the behaviour of passengers and crew during the sinking as well as suggesting a narrative of chivalry and self sacrifice to create heroes from the victims and brand the surviving men as cowards an interpretation that is challenged here Eyewitness accounts evoke the horror of the night and reveal the underlying ideas of the day They also show that women played a less passive role than expected of them The responses to the sinking by politicians across the spectrum the labour movement and suffragettes suffragists and anti suffragists is explored to show more critical contemporary responses to the disaster that challenge the heroic narrative It was a world that was never so confident in modernity after the disaster but yet still held on to illusions of chivalry
