From Street to Screen

Michael T. Martin, David C. Wall, 2020-12-01 Charles Burnett's 1977 film *Killer of Sheep* is one of the towering classics of African American cinema As a deliberate counterpoint to popular blaxploitation films of the period it combines harsh images of the banality of everyday oppression with scenes of lyrical beauty and depictions of stark realism with flights of comic fancy *From Street to Screen* Charles Burnett's *Killer of Sheep* is the first book length collection dedicated to the film and designed to introduce viewers to this still relatively unknown masterpiece Beginning life as Burnett's master's thesis project in 1973 and shot on a budget of 10 000 *Killer of Sheep* immediately became a cornerstone of the burgeoning movement in African American film that came to be known variously as the LA School or LA Rebellion By bringing together a wide variety of material this volume covers both the politics and aesthetics of the film as well as its deeper social and contextual histories This expansive and incisive critical companion will serve equally as the perfect starting point and standard reference for all viewers whether they are already familiar with the film or coming to it for the first time

Contemporary Japanese Film

Mark Schilling, 1999-11-01 This comprehensive look at Japanese cinema in the 1990s includes nearly four hundred reviews of individual films and a dozen interviews and profiles of leading directors and producers Interpretive essays provide an overview of some of the key issues and themes of the decade and provide background and context for the treatment of individual films and artists In Mark Schilling's view Japanese film is presently in a period of creative ferment with a lively independent sector challenging the conventions of the industry mainstream Younger filmmakers are rejecting the stale formulas that have long characterized major studio releases reaching out to new influences from other media television comics music videos and even computer games and from both the West and other Asian cultures In the process they are creating fresh and exciting films that range from the meditative to the manic offering hope that Japanese film will not only survive but thrive as it enters the new millennium

Wes Craven Shannon Blake Skelton,2019-11-29 With a career spanning four decades Wes Craven 1939 2015 bridged independent exploitation cinema

and Hollywood big budget horror. A pioneer of the modern horror cinema, Craven directed such landmark films as *The Last House on the Left*, *The Hills Have Eyes*, *A Nightmare on Elm Street*, and *Scream*, considered not only classics of the genre but examples of masterful filmmaking. Producing an impressive oeuvre that mixed intellectual concerns and political ideas, Craven utilized high tension, suspense, devastating visual brutality, and dark humor to evoke a unique brand of fear. Moreover, his films draw attention to the horror of American society, namely racism, classism, and the traumas often associated with family. This collection of twenty-nine interviews, spanning from 1980 until his final interview in 2015, traces Craven's life and career from his upbringing in a strict religious family and his life as an academic to his years toiling in exploitation cinema. The volume also chronicles Craven's ascendancy as an independent director, his work within the studio system, and his eventual triumph in mainstream cinema. Within the interviews gathered here, including three previously unpublished pieces, Craven reflects on failed projects and the challenges of working with studios while offering thoughtful meditations on the dynamics and appeal of horror. *Wes Craven: Interviews* cements Craven's legacy as a master of horror who left an indelible mark on the genre by forever altering expectations of and approaches to the cinema of fear.
