The Human Spirit Marjorie O'Rourke Boyle, 2018-11-01 In this volume Marjorie O'Rourke Boyle probes significant concepts of the human spirit in Western religious culture across more than two millennia from the book of Genesis to early modern science. The Human Spirit treats significant interpretations of human nature as religious, in political, philosophical, and physical aspects by tracing its historical subject through the Priestly tradition of the Hebrew Bible and the writings of the apostle Paul among the Corinthians, the innovative theologians Augustine and Aquinas, the reformatory theologian Calvin, and the natural philosopher and physician William Harvey. Boyle analyzes the particular experiences and notions of these influential authors while she contextualizes them in community. She shows how they shared a conviction, although distinctly understood, of the human spirit as endowed by or designed by a divine source of everything animate. An original and erudite work that utilizes a rich and varied array of primary source material, this volume will be of interest to intellectual and cultural historians of religion, philosophy, literature, and medicine.

Camp Silverheart R.W. Graykowski, 2010-01-29 In the midst of a turbulent storm, world-renowned heart specialist and inventor Dr. Rick Stevens questions his existence. Estranged from his wife and children and with his life and career falling apart, he wonders where his life is going and where it's been. With a storm pounding both outside and within him, Rick finds himself mysteriously transported back in time to when he's twelve years old and attending Camp Silverheart. This special camp, open by invitation only, teaches campers to live in balance with nature and works to awaken each child's natural gifts and brilliance. In one eventful week, Rick and his fellow campers face life and death and discover the power to choose their ultimate path in life. By exploring the struggle between faith and fear and the choices that shape our lives, Rick is better prepared to re-enter his life in the present. Will his mysterious journey back to his innocence impact the world now and in the future?
