Sober And Sensual:

Sober and Sensual Kay Marie Porterfield, 1985-03-01 The Baptist Magazine , 1849 **Sex in Recovery** Jennifer Matesa, 2016-09-01 Healthy sexuality within the context of recovery is rarely talked about openly in part because the larger culture restricts the space required to name our experiences in open honest ways Matesa gives us that space by bringing the language of recovery to this more hidden part of our healing allowing us to truly practice these principles in all our affairs Sexuality in the context of recovery is rarely talked about openly in part because our broader culture may inhibit us from sharing our true experiences For some the prospect of sober sex feels like uncharted waters in the past we've rarely had sex without first numbing ourselves with drugs and alcohol What does it mean to have an intimate relationship in sobriety Exploring that question deepens our recovery journey With this groundbreaking work Jennifer Matesa uncovers the challenges real people encounter when they start taking their clothes off without drinking or using in order to do so Providing readers a meeting between the covers Matesa blends first person accounts bravely shared by diverse members of the recovery community insights from experts and her own perspectives The result is a book that creates a space for a vital new dialogue about sexuality and intimacy As we find a common language for this more hidden aspect of our healing we can truly practice these principles in all our affairs **The Complete Works of Rev. Andrew Fuller: with a Memoir of his Life, by Andrew Gunton Fuller: Reprinted from the Third London Edition** Andrew Fuller, 2024-04-27 Reprint of the original first published in 1845 **Let's Talk Sex and Money** Luz Maria Villanueva, M.A., PhD, Samantha V. Torres, CFPTM, 2024-11-25 Two Latina women with different worldviews a baby boomer Luz Maria first generation Mexican American born and Samantha Torres a millennial and first generation immigrant offer a refreshingly candid exploration of two taboo topics drawing from their personal and professional experiences our collective cultural forces and history Let's Talk Sex and Money has a unique way of quilting two topics in one book a hundred years of history of sex and money with pertinent information that will lead to questions for the reader to sit down to explore debate and communicate so that together we can come to an understanding and develop partnerships Luz and Samantha remove the walls from their professional practices and experiences and guide readers through the different struggles in their intimate and financial lives through the core issues of relationship problems Let's Talk Sex and Money breaks down barriers to conversations focusing on complex systems theory helping readers look beyond their lack of sexual and financial satisfaction and begin recognizing the bigger influences that make up their intimate lives This rarely heard dialogue opens up a vital conversation that's not only empowering but also serves as a beacon of hope for women of all generations striving to take full agency over their finances bodies and sexual health The Sexual Life of Our Time in Its Relations to Modern Civilization Ivan Bloch, 2021-04-22 The author's aim in writing this book was to write a complete Encyclopedia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly

manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormals should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity *Memoirs, sermons, etc* Andrew Fuller,1845 **The Complete Works of Rev. Vigorito,2015-11-05 Out of control sexual behavior referred to variously as sex addiction sexual compulsivity and hypersexuality among other terms has been a controversial and attention getting issue since it first captured both public and professional attention over 30 years ago Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized medical issue on par with substance abuse addictions or in backlash as simply irresponsible behavior indicating weakness in the individual In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems the

authors present a model for working with clients in both group and individual treatment settings Based on their experience with hundreds of clients this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior not a psychiatric or addictive disorder The book includes step by step tools for assessment treatment planning as well as treatment implementation It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior

The Sexual Question Auguste Forel,1908 *New Baptist Miscellany* ,1832 *The Victorian Frame of Mind, 1830-1870* Walter E. Houghton,2014-10-29 It is now forty years since Lytton Strachey decided that we knew too much about the Victorian era to view its culture as a whole Recently the tide has turned and the Victorians have been the subject of sympathetic period pieces critical and biographical works and extensive studies of their age but the Victorian mind itself remains blurred for us a bundle of various and often paradoxical ideas and attitudes Mr Houghton explores these ideas and attitudes studies their interrelationships and traces their simultaneous existence to the general character of the age His inquiry is the more important because it demonstrates that to look into the Victorian mind is to see some of the primary sources of the modern mind
