,1995      **Deadly Divergence** C.J. Darling, When FBI Special Agent Mariah Conners is injured in the line of duty her partner Quinn MacAllister decides Bermuda is the perfect place for them to relax and recuperate But it isn't called the Bermuda Triangle for nothing First their charter plane goes down in a freak electrical storm and they're cast adrift with two spoiled teenagers and an elderly retired couple Then they discover that the remote tropical island sheltering them holds a deadly secret a unique sentient lifeform with incredible healing power for those few who can survive exposure to its potent spores And to really cap things off an old enemy is in hot pursuit He wants the spores for himself and he'll kill anyone who gets in his way Can Mac and Conners keep their companions alive and escape the mysterious island before he destroys them all Excerpt Mac Mariah stared in blank horror as the plane's shattered nose sank beneath the choppy storm darkened waves leaving behind only a trail of shimmering bubbles Mac Someone was holding her back pleading with her clutching her arms in a fierce paralyzing grip Let me go she yelled wrenching free He's my partner The bubbles were slowly fading away She dove kicking hard following the plane's lazy descent Icy darkness enveloped her Her lungs began to ache and fiery spots danced before her eyes but she couldn't give up she just couldn't More rising air bubbles suddenly exploded in her face blinding her Then her groping fingers brushed against something slippery Mac's leather jacket One last frantic surge of energy moved her weakening legs propelling her upward again dragging his heavy weight behind her Please Mac don't die Cold rain suddenly lashed against her upturned face Sputtering she sucked in deep breaths of precious air Lightning flared overhead painfully bright against her dilated eyes The iron bands constricting her chest slowly eased as she fought to keep Mac's sagging head above the waves Thunder rumbled in her ears as the heavy waves knocked her back and forth Frigid water cascaded over her head and she resurfaced with a strangled cough Then something hard stung her flailing hand A rope She wrapped stiffening fingers around it New energy surged through her aching frame when Reuben's hand locked around Mac's limp arm Hurry she shouted He's not breathing Esther leaned out perilously far to help and slowly they hauled his long body into the raft Then it was Conners' turn and she wanted to sob with relief as the ocean reluctantly loosened its death grip on her thrashing legs Mac was sprawled face down in the sloshing raft Help me roll him over she gasped Oh God his lips were blue and his open eyes were glazed He can't die not yet Helpful hands steadied her as she bent to force air down his windpipe Again And again Breathe thrust Breathe thrust Breathe thrust Suddenly his limp body convulsed and a gush of salty water erupted from his open mouth Conners tilted his head to one side and let the water drain Breathe Mac she ordered pushing hard against his ribs one last time Come on damn it Breathe He jerked again and this time she heard the sweet rush of air filling his lungs His chest began to rise and fall in a slow rhythmic cadence as his taut muscles relaxed Another huge wave crashed into the raft drenching them with icy spray How long will this storm last Reuben shouted in her ear His aging

face was drawn with fear The raft is filling up with water fast Emergency rafts are built to handle a lot of water she yelled back Just hang on Suddenly the black clouds and shrieking winds vanished For one ageless nauseating moment the entire world seemed to whirl in dizzying spirals Then a soft warm rain began to patter down around them She bolted upright and stared wildly around What the hell It was impossible Fierce squalls didn't just appear and then disappear in the blink of an eye But the violent electrical storm was gone The gigantic crashing waves were gone And as they watched in stunned disbelief the hazy gray clouds overhead simply melted away and the golden sun began to shine down from a perfectly clear blue sky The ocean around them was calm gentle and empty The other life raft was nowhere to be seen California. On January 21 2006 my husband Terry and I were enjoying a relaxing couples massage during a romantic getaway and five hours later we were experiencing 15 terrifying minutes of uncertainty as to whether we would live or die Our single engine plane had suddenly lost all its power In those moments of uncertainty flashing before me was my life What had I done What would I miss And most importantly what was the meaning of those blue eyes that superimposed themselves over Terry's eyes minutes before we crashed The physical and emotional healing was intense humbling and gratifying while the spiritual path that I had been catapulted onto was certainly uplifting and unfamiliar to me All my life my soul had been gently nudging me towards my true purpose now it was hitting me over the head with the messages of Love more have less simplify your life Love and forgive myself and others unconditionally This true story is of my spiritual transformation that took me from having the illusion that all my material accomplishments was all there was for a fulfilling life to knowing that life was and had already been planned for me by me well before I incarnated into this body Surviving this plane crash was only a catalyst towards me fulfilling my true purpose in life Having a clean slate to begin all over with is a daunting task Being 47 now widowed and starting over was a daunting task My faith as about to be tested big time For from

tragedy comes triumph Having found the owner of those eyes I know I have more work and a much higher purpose in life to fulfill It took a life threatening and frightening plane crash to make me see the truth my plane truth It s truly been a humbling experience and one I consider to be a gift and not a tragedy The hardest part was simply looking in the mirror and uncovering all my masks that I had thought were protecting me but in fact were keeping me from knowing my true self
