Perrie, 2001-10-25 Ivan IV the sixteenth century Russian tsar notorious for his reign of terror became an unlikely national hero in the Soviet Union during the 1940s This book traces the development of Ivan's positive image placing it in the context of Stalin's campaign for patriotism In addition to historians' images of Ivan the author examines literary and artistic representations including Sergei Eisenstein's famous film banned for its depiction of the tsar which was interpreted as an

allegorical criticism of Stalin      The Origin of the Communist Autocracy Leonard Schapiro,1987-06-18      We Yevgeny Zamyatin,1993-08-01 The exhilarating dystopian novel that inspired George Orwell's 1984 and foreshadowed the worst excesses of Soviet Russia Yevgeny Zamyatin's *We* is a powerfully inventive vision that has influenced writers from George Orwell to Ayn Rand In a glass enclosed city of absolute straight lines ruled over by the all powerful Benefactor the citizens of the totalitarian society of OneState live out lives devoid of passion and creativity until D 503 a mathematician who dreams in numbers makes a discovery he has an individual soul Set in the twenty sixth century AD *We* is the classic dystopian novel and was the forerunner of works such as George Orwell's 1984 and Aldous Huxley's *Brave New World* It was suppressed for many years in Russia and remains a resounding cry for individual freedom yet is also a powerful exciting and vivid work of science fiction Clarence Brown's brilliant translation is based on the corrected text of the novel first published in Russia in 1988 after more than sixty years suppression      The Reception of David Hume In Europe Peter Jones,2013-02-14 The intellectual scope and cultural impact of British writers cannot be assessed without reference to their European fortunes These essays prepared by an international team of scholars critics and translators record the ways in which David Hume has been translated evaluated and emulated in different national and linguistic areas of Europe This is the first collection of essays to consider how and where Hume's works were initially understood throughout Europe They reflect on how early European responses to Hume relied on available French translations and concentrated on his *Political Discourses* and his *History* and how later German translations enabled professional philosophers to discuss his more abstract ideas Also explored is the idea that continental readers were not able to judge the accuracy of the translations they read nor did many consider the contexts in which Hume was writing rather they were intent on using what they read for their own purposes

Mimesis Valery Podoroga,2024-07-02 The politics of literature in the construction of worlds The Russian Revolution was a literary as well as political upheaval With a focus on the revolutionary works of Andrei Platonov and the futurist collective OBERIU leading Russian literary thinker Valery Podoroga shows how profoundly the Soviet experiment overturned the traditional expectations of fiction and poetry The production of this groundbreaking new work was inextricably interwoven with the political and historical debates of the time This volume expands on Podoroga's critical exploration of the analytic anthropology of literature Here he delves into the ways literature can be used in world building both in terms of what happens inside the narrative and how it reflects the external world He explores the function of the work outside of its time both as a means to project itself into the future and as a document of a former age How are we to read the past through these works of the imagination With an introductory essay from the author's daughter Ioulia Podoroga      The Greatest English Novels to Read in a Lifetime Various,2020-04-28 Fifty timeless novels in one collection plus additional bonus classics *The Oresteia* by Aeschylus *Rashomon* and *Seventeen Other Stories* by Ryunosuke Akutagawa *Little Women* by Louisa May Alcott *The Divine Comedy* by Dante Alighieri *Between Past and Future* by Hannah Arendt and *Jerome Kohn Eichmann in*

**A History of Modern Russia from Nicholas II to Vladimir Putin** Robert Service,2005 Robert Service here presents a comprehensive overview of 20th century Russian history that treats the years from 1917 to 2000 as a single period and analyses the peculiar mixture of political economic and social ingredients that made up the Soviet compound

**The Economy and Material Culture of Russia, 1600-1725** Richard Hellie,1999-06-15 In this study of the Russian economy from 1600 1725 Richard Hellie offers a glimpse of the material life of the people of Muscovy during that tumultuous period how they lived what they ate how they were taxed what their wages allowed them to enjoy The Economy and Material Culture of Russia 1600 1725 will be an invaluable resource and reference work for all readers interested in economic history and the history of material culture

**A History of Russian Literature** Andrew Kahn,Mark Lipovetsky,Irina Reyfman,Stephanie Sandler,2018-04-13 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case

studies in depth discussions of writers institutions and texts that take the reader up close and personal Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular brings out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation *Boris Pasternak*

Christopher Barnes,2004-02-12 This authoritative new biography of the Russian poet and prose writer Boris Pasternak is the first part of a two volume set covering the period 1890 1928 Drawing on archives and many eyewitness accounts Barnes study sheds light on currently unexplored aspects of Pasternak s character and family background and his artistic social and historical environment He combines biographical investigation with detailed textual analysis of translated quotations in verse and prose to reveal the source of Pasternak s extraordinary writings The book examines a wide range of topics that include his musical enthusiasm and relations with Scriabin his philosophical studies his activities in World War I and his response to the 1917 revolutions and his stance as a liberal artistic intellectual in the 1920s Just Enough Nitrogen Mark A.

Sutton,Kate E. Mason,Albert Bleeker,W. Kevin Hicks,Cargele Masso,N. Raghuram,Stefan Reis,Mateete Bekunda,2020-11-09 This volume provides a unique collection of contributions addressing both the too much and too little sides of the nitrogen story Building on analyses started at the 6th International Nitrogen Conference Kampala the book explores the idea of just enough nitrogen sufficient for sustainable food production but not so much as to lead to unsustainable pollution and climate problems The range of nitrogen threats examined solutions evaluated and science policy analyses presented here has provided the foundation to agree the Kampala Statement for Action on Nitrogen in Africa and Globally as reported in this volume Humanity today faces unprecedented challenges How to feed a growing population How to reduce air pollution water pollution and climate change How to handle regional differences in an era of increasing globalization These questions are at the heart of this edited volume which examines the multi dimensional nature of the global nitrogen challenge While humans have massively altered the nitrogen cycle the consequences have become polarized Some regions have too much nitrogen associated with pollution and wasteful use of a valuable resource while other regions have too little nitrogen leading to constraints on food production and depletion of soil nutrient stocks The volume provides a unique collection of contributions

Political Quietism in Islam Saud al-Sarhan, 2019-12-26 In recent years Islam whether via the derivatives of Political Islam or Islamism has come to be seen as an activist force in social and political spheres worldwide What such representations have neglected is the strong countervailing tradition of political quietism Political quietism in Islam holds that it is not for Muslims to question or oppose their leaders Rather the faithful should concentrate on their piety prayer religious rituals and personal quest for virtue This book is the first to analyze the history and meaning of political quietism in Islamic societies It takes an innovative cross-sectarian approach investigating the phenomenon and practice across both Sunni and Shi'i communities Contributors deconstruct and introduce the various forms of political

quietisms from the time of the prophetic revelations through to the contemporary era Chapters cover issues ranging from the politics of public piety among the women preachers in Saudi Arabia through to the legal discourses in the Caucasus the different Shi'i communities in Iran Lebanon Iraq and Pakistan and the G len movement in Azerbaijan The authors describe a wide range of political quietisms and assess the continuing significance of the tradition both to the study of Islam and to the modern world today
