Children's Literature and Intergenerational Relationships Justyna Deszcz-Tryhubczak, Irena Barbara Kalla, 2021-04-23 *Children's Literature and Intergenerational Relationships* Encounters of the Playful Kind explores ways in which children's literature becomes the object and catalyst of play that brings younger and older generations closer to one another Providing examples from diverse cultural and historical contexts this collection argues that children's texts promote intergenerational play through the use of literary devices and graphic formats and that they may prompt joint play practices in the real world The book offers a distinctive contribution to

children's literature scholarship by shifting critical attention away from the difference and conflict between children and adults to the exploration of inter age interdependencies as equally crucial aspects of human life presenting a new perspective for all who research and work with children's culture in times of global aging *Science Literacy in Primary Schools and Pre-Schools* Haim Eshach, 2006-08-12 Science is more than a compilation of facts and figures although one would not know that from observing classroom lessons in science in elementary schools in many parts of the world In fact there are those who argue that science is not appropriate subject content for the early grades of elementary school There are many schools in which science is simply not present in the earliest grades Even where science is taught in the earliest grades it is often a caricature of science that is presented to the children This book offers a vigorous reasoned argument against the perspective that science doesn't belong in the early grades It goes beyond that in offering a view of science that is both appropriate to the early grades and faithful to the nature of the scientific enterprise Dr Eshach is not a voice in the chorus that claims young children's developmental lack of readiness for such study He believes as do I that in order to learn science one must do science At the heart of the doing of science is the act of exploration and theory formation To do science we must explore the ways in which the world around us looks sounds smells feels and behaves *The Corsini Encyclopedia of Psychology, Volume 4* Irving B. Weiner, W. Edward Craighead, 2010-01-19 Psychologists researchers teachers and students need complete and comprehensive information in the fields of psychology and behavioral science The Corsini Encyclopedia of Psychology Volume Four has been the reference of choice for almost three decades This indispensable resource is updated and expanded to include much new material It uniquely and effectively blends psychology and behavioral science The Fourth Edition features over 1 200 entries complete coverage of DSM disorders and a bibliography of over 10 000 citations Readers will benefit from up to date and authoritative coverage of every major area of psychology **The Dynamics of Managing Diversity** Gill Kirton, Anne Marie Greene, 2010 This text takes a fresh approach to the issues of equality and diversity in the world of employment today It discusses diversity as recognition of the differences and similarities between and among social groups *School Counselors as Practitioners* Judy A. Nelson, Lisa A. Wines, 2024-06-25 School Counselors as Practitioners Second Edition is a hands on practice based task oriented guide to being an effective school counselor Thoroughly revised this textbook continues to address the foundation of school counseling the main duties of a school counselor the skills needed to be successful and what to expect as a school counseling professional All these topics have been updated to include the current thinking research and evidence based practices and challenges in school counseling Additionally interviews of principals school counselors and community leaders are included which provide readers with the reality of how to navigate the waters of the comprehensive school counseling program The chapter authors also highlight the necessity of designing implementing and evaluating the counseling program for continuous improvement Online resources provide students with templates and handouts for on the job responsibilities as well as quiz questions for every chapter This updated edition is
