The Key To My Inner Soul:

A Soul's Learning , The Soul's Power Maureen Philpott Napier,2009-12 Maureen Philpott Napier had just turned forty years old Personally and professionally she was at the top of her game But on March 26 2006 she suffered a paralyzing multiple sclerosis attack Her life her work and her identity changed forever During that first year of her diagnosis she changed from being a food scientist by trade to a scientist exploring her soul In this memoir Maureen shares her battle with this progressive destructive disease for which there is no known cure Through her emotional personal story and through poetry Maureen narrates the challenging but rewarding healing journey back to life The path was often dark painful and lonely But The Soul s Power describes how she came to understand the Divine gift given to her and how she continues to recreate her life and write her words of wisdom from her soul An inspirational story of self awareness The Soul s Power demonstrates how one woman faced her demons and realized her greatest strength was buried deep within her
