Coach the Kid, Build the Boy, Mold the Man Carolyn J. Ellison,2007-07-03 When football coach Tiger Ellison was faced with his first losing season ever he had to muster all the creative will he had acquired since childhood to turn the season around In doing so he invented the most wide open productive fan pleasing scheme of aerial football the game had ever seen He shared his philosophy with the coaching world in 1965 by writing a book called Run and Shoot Football Offense of the Future His dramatic offense changed the way football has been played ever since all the way from the Little Leagues to the NFL But this story transcends football taking place during the social turbulence of the 20th Century As educator and coach Tiger dedicated his life to tapping into the fighting spirit of each of his youngsters regardless of race creed or social status He challenged each to build the character confidence and courage to pursue a noble cause in the classroom on the gridiron of American football and in life It is a poignant reminder of the power each of us has within us to become a real winner Tiger Ellison had a passion for life country and sport that were absolutely contagious for those around him When you read his story you may laugh a little you may learn some things about football strategy but I am certain you will love Tiger as we players did and see why his positive philosophy of life influenced all of us in a very special way Dr Rex Kern President MSB Financial United Midwest Savings Bank 1968 Buckeye National Championship Quarterback and 1969 Rose Bowl MVP Member of The Rose Bowl Hall of Fame This is one football story that is not about power and money rather a powerful and creative mind that left its imprint forever on players coaches and modern offensive football At a time when football has become big business Tigers philosophy will remind us all why we love the game what we can learn from it and who we can become by it Earle Bruce Former Head Football Coach The Ohio State University A real masterpiece Every teacher coach and mothers son should have and use this material Rocko Joslin Retired Director of Operations Armco Inc Ashland Kentucky Former Captain Ohio State Buckeyes 1953 Visit www.tigerellison.com **The Kid Coach** Patti Bayly,2004 *It'S All About the Kids* Coach Scooter Stevens,2015-12-19 Take a journey into the magical yet sometimes complicated world of youth baseball through the eyes of a volunteer coach Its All about the Kids is a fascinating compilation of fictional stories based on actual events as retold by Scooter Stevens a youth baseball coach for over ten years From baseball to soccer from basketball to football from lacrosse to hockey hundreds of thousands of children participate in all types of youth sports across the United States each season Regardless of the sport the reader played as a child coached as an adult or had children

The Long Journey and Other Stories D. Mills, Jerry Mills, 2011-04 About the Cover This simple sketch is over 100 years old It hung in the farm house I was raised in as a small boy The artist was a relative on the Jackson side of my family tree The original sketch now hangs in the cabin where I live My grandmother tried to explain the meaning of the sketch to me when I was eight years old but it was way over my head Now that I have entered the final chapter of my long journey I look at the sketch a lot differently than I did when my grandmom talked to me about it so long ago The old man is not only old but very wise The sweet mellow smell from his pipe is now an integral part of him The fragrance of Spring completely surrounds the young girl As she tells him about his upcoming long journey you can see the slight smile on his face He knows his next journey will be soon and very short I suspect that he will give her very little advice He knows that unraveling the mysteries and finding your own answers are what make our long journeys worthwhile Poppy

About the Stories You may find some of them are sad some funny and some a little mysterious However I hope they rekindle and stir emotions you have hidden deep inside you for a very long time

Massy's Game Jack Olsen, 2020-06-17 Massy was big over 8'2" and still growing the biggest man in pro basketball No one thought it possible a man that big could move could run and jump and shoot and rebound But before his first year was out he became a legend as well as a threat to the game No one likes a giant no one roots for Goliath Cursed by irate fans elbowed and punched by

competing players he is universally despised What drives him on What is in his past that drives him to continue dragging himself up and down the court when he would rather be playing the piano What about the father that won't stay off the bottle And the little girl with the flute As the season nears its ultimate close the fury and tension mount No one can stop the big man even though he doesn't have all the moves and shots No one and nothing Beating the backboards pounding slam dunks so hard the rim shakes pulling down rebounds a yard above the rim blocking shots from ten feet away He is a one man wrecking crew seemingly oblivious to the fact that the fans hate him the opposing team hates him and the officials hate him Massy obliterates the opposition almost single handedly But the more shots he blocks the greater the national hysteria The book surges on to a screaming apocalyptic ending as unexpected as it is inevitable If opposing players can't stop him there are other means available An original and fast breaking sports novel that makes a strong and provocative comment on our entire society
