The Killing Of Karen Silkwood The Story Behind The Kerr McGee Plutonium Case:

The Killing of Karen Silkwood Richard L. Rashke, 1981 Presents the case of a union member who died under mysterious circumstances on the way to talk with a New York Times reporter about the activities of the plutonium plant where she worked

The Killing of Karen Silkwood Richard Rashke, 1983 [The Killing of Karen Silkwood](#) Richard Rashke, 2024-11-12 For this edition Rashke has added a preface and three short chapters that explore what has been released and learned about the Silkwood case since the book's original publication Karen Silkwood an employee of the Kerr McGee plutonium processing plant was killed in a car crash on her way to deliver important documents to a newspaper reporter in 1974 Silkwood was a union activist concerned about health and safety issues at the plant and her death at age 28 was considered by many to be highly suspicious Was it Kerr McGee's revenge on a troublesome whistle blower Or was it part of a much larger conspiracy reaching from the Atomic Energy Commission to the FBI and the CIA Richard Rashke leads us through the myriad of charges and countercharges theories and facts and reaches conclusions based solely on the evidence in hand Originally published in 1981 his audiobook offers a vivid edgy picture of the tensions that racked this country in the 1970s Now updated with never before revealed names and content this new volume is an important historical document Complex fascinating characters populate this compelling insider's view of the nuclear industry The issues it explores whistle blowers worker safety the environment and nuclear vulnerability have not lost relevance today 26 years after Silkwood's white Honda Civic was found trapped in a concrete culvert near Oklahoma City Rashke fully explores and explains what happened to the various actors in the drama and discusses the long term effects of the events around Silkwood's death Karen Silkwood is recognized by many as the original Whistler Blower Current events should impel every curious reader to pick up this investigation to better understand how power politics and greed still influence America's business interests **It Happened in Oklahoma** Robert L. Dorman, 2019-05-17 This book offers an inside look at over 30 interesting and unusual episodes that shaped the history of the Sooner State Read all about the Trail of Tears in Tahlequah Find out why George W McLaurin was denied admission to the University of Oklahoma in 1950 Try to solve the mystery of Karen Silkwood's suspicious death in 1974 **American Women's History on Film** Rosanne Welch, Peg A. Lamphier, 2022-11-07 By exploring a range of films about American women this book offers readers an opportunity to engage in both history and film in a new way embracing representation diversity and historical context Throughout film history stories of women achieving in American history appear few and far between compared to the many epic tales of male achievement This book focuses largely on films written by women and about women who tackled the humanist issues of their day and mostly won Films about women are important for all viewers of all genders because they remind us that the American Experience is not just male and white This book examines 10 films featuring diverse depictions of women and women's history and encourages readers to discern how and where these films deviate from historical accuracy Covering films from the 1950s all the way to

the 2010s this text is invaluable for students and general readers who wish to interrogate the way women's history appears on the big screen

The Man Who Hated Work and Loved Labor Les Leopold, 2007-11-14 A CIA connected labor union assassination attempt a mysterious car crash listening devices and stolen documents everything you'd expect from the latest thriller Yet this was the reality of Tony Mazzocchi the Rachel Carson of the U.S. workplace a dynamic labor leader whose legacy lives on in today's workplaces and ongoing alliances between labor activists and environmentalists and those who believe in the promise of America In *The Man Who Hated Work and Loved Labor: The Life and Times of Tony Mazzocchi* author and labor expert Les Leopold recounts the life of the late Oil Chemical and Atomic Workers Union leader Mazzocchi's struggle to address the unconscionable toxic exposure of tens of thousands of workers led to the passage of the Occupational Safety and Health Act and included work alongside nuclear whistleblower Karen Silkwood His noble high profile efforts forever changed working conditions in American industry and made him enemy number one to a powerful few As early as the 1950s when the term environment was nowhere on the political radar Mazzocchi learned about nuclear fallout and began integrating environmental concerns into his critique of capitalism and his union work An early believer in global warming he believed that the struggle of capital against nature was the irreconcilable contradiction that would force systemic change Mazzocchi's story of non-stop activism parallels the rise and fall of industrial unionism From his roots in a pro FDR immigrant family in Bensonhurst Brooklyn through McCarthyism the Sixties and the surge of the environmental movement Mazzocchi took on Corporate America the labor establishment and a complacent Democratic Party This profound biography should be required reading for those who believe in taking risks and making the world a better place While Mazzocchi's story is so full of peril and deception that it seems almost a work of fiction Leopold proves that the most provocative and lasting stories in life are those of real people
